

FOOT BALL SEASON OPENS

First Game Between Omaha High School and Bellevue College. LOCAL YOUNGSTERS HAVE EASY VICTORY

Ten Touchdowns and Seven Goals

Bring Total Score Up to 57—Collegians Fail to Make a Point. The foot ball season was formally opened in Omaha Monday afternoon when the Omaha High school eleven defeated Bellevue College by a score of 57 to 0.

Sensational Features

The sensational features were the long runs of Tracy, Thomas and Welch and the tackling of McKay and Welch. The first touchdown was scored by Thomas, who made a pretty thirty-yard sprint, skillfully evading the collegians, who vainly tried to check him in his flight with the ball.

They soon convinced me of their value and since completing the treatment I have not been troubled.'

Reason for All This is That the English Boat Has Done Better Work on the Three Days of Flakes.

There has been a foggy day down around the Horsehoe and everything has been quiet in the fleet there, except on the decks of the Columbia, where the crew has been cutting and refting sails. This is taken in yachting circles to indicate nervousness.

TEXANS SUED FOR BIG SUM

Ralph Bittinger Alleges Violation of a Cattle Contract. James W. McCutcheon and Beaugard McCutcheon of Jeff Davis county, Texas, comprising the firm of J. W. McCutcheon & Bro., are defendants in a damage suit filed in the district court by Ralph Bittinger of this city.

The suit grows out of a contract for the purchase of 4,000 Texas steers. According to the petition the McCutcheons agreed last January to deliver the steers to Bittinger at Ft. Worth, Texas, for \$1,950,000, aggregating \$19,000, were made to seal the trade.

The petitioner alleges that only 1,613 of the steers contracted for were delivered and that he has paid the balance of \$1,950,000 in excess of value received. He alleges that he has demanded the delivery of the remaining 2,387 head of steers, but that the McCutcheons refuse to further comply with their contract.

Bittinger has filed attachment and garnishment proceedings, alleging that the Flato Commission company of South Omaha has in its possession property belonging to the McCutcheons and is declared in default of answer to the attachment, setting forth among other things that the McCutcheons offered to Bittinger the remaining part of the cattle here, but that he refused to accept it, as it was not the cattle offered.
