SMALLPOX IN IOWA AGAIN

Drend Disense Makes Its Appearance at Ottumwa and the Victim is at Once Placed in Quarantine.

DES MOINES, Oct. 11 .- (Special Teleram.)-Smallpox bas again broken out in Iowa. A case at Ottumwa was reported to the state Board of Health this morning by J. F. Herrick, local health officer. Dr. Herrick states that the young man has been taken to an improvised hospital or pesthouse two miles out of the city, where he is being cared for. Strict quarantine measures have been adopted and the Board of Health is enforcing rigid preventive measures to avoid the spread of the disease. Those who have been exposed have been vaccinated and are under close surveillance. The young man who is affected came to Ottumwa on a bicycle and is himself unable to tell where he contracted the disease. He has been making a bicycle tour of this and adjoining states and has been in a hundred
