DYSPEPSIA.

God, S. Kelly, of 75 Nassau St., New York, says: "For years I have been troubled with rheumatism and dyspepsia, and I came to the conclusion to try your pills. I feel like a new man since I commenced taking your pills, and would not be without them. The dyspepsia, which I used to have, has entirely disappeared. The rheumatism has left me, and my bowels are now entirely regular. I am satisfied if any one so afflicted will give Radway's Pills a trial they will surely cure them. For I believe it all comes from the system being out of order, the liver not doing its work."
