

CAPTURES ANOTHER VICTORY

Tabor College Goes Down to Defeat Before Captain Tracy's Team.

VISITORS OUTPLAYED IN EVERY RESPECT

Continued Victories of Local Team Are a Marvel to Foot Ball Enthusiasts—Win Saturday's Game by 28 to 0.

'Rah! Rah! Rah! Omaha has got the ball! Rah! Rah! Rah! Just watch old Tabor fall. And when we hit their line, They'll have no time at all; There'll be no time in Omaha tonight.

Youths and maidens, excited to that pitch which comes only to the enthusiastic admirers of a foot ball game, cheered the lads of the Omaha High school to another victory Saturday afternoon. With the aid of popular cheer leaders, who urged for the occasion, floating up onto the gridiron from the well-filled grandstand and ringing in their ears, the High school eleven held the upper hand over their opponents, Tabor college, from the beginning of the game until the close. The score was 28 to 6.

Eleven husky young men, flushed with victories in two out of three games played during the present season, carried the colors of Tabor college upon the Ames avenue field, intent upon taking a fall out of the proud lads who wore the purple and white and for whom the plaudits and cheers of the Omaha crowd were given with such enthusiasm that they were doomed to disappointment. The High school lads were wide awake and their adroitness gave the Omaha people who crowded the grandstand a chance to create a cheer-rent atmosphere from the beginning to the end of the play. On the part of the locals the game was replete with snap. Tabor, however, early discovered the superiority of the opposing team and for the most part played a listless game, which, because of its one-sidedness, lost considerable of its charm. The ball had been in play but a few moments before the visitors learned that they had tackled the hardest proposition of their lives. The locals never played better. The feature of the playing was the splendid work of Marsh, right half-back. A considerable number of the long gains were credited to him. After the kick-off in the first half the locals followed the ball right down the field, with but one interruption. Thomas kicked off and Hazen corralled the spheroid, but had not advanced far before he encountered Fairbrother, who, by the way, put up an amazingly good game all day. Hazen, however, was unable to clear to the goal line, the opposite end from Mike Thomas. Tabor failed to gain the first five yards and when Omaha got the ball the game was immediately enlivened by Marsh's twenty-five-yard run. He zig-zagged among the Taborites and was enabled to proceed because of splendid interference. Tracy attempted the next run, but dropped the ball when downed, and Tabor made another attempt to advance toward the east goal. Failing in this, Omaha again took charge of the pigskin and after two or three successful attempts in the second half, the ball on the thirty-yard line "Dusty" Roberts came within a scratch of being credited with the first touchdown, but when downed the ball was three yards from the goal. Again the Omaha lads lined up and the Taborites were swept away like so many marionettes in the fierce onslaught of Welch and his colleagues, as the former crossed the line for the first score. After the first touchdown the game was easy. The pigskin continued to remain in the territory of the visitors and when time was called three touchdowns and three goals had been made by the locals.

Kicking in Second Half.

The fast and furious playing of the first half showed that it had made a noticeable impression on the visitors during the second half-hour's play, although the High school lads entered into the game with as much zest as before. It developed into a kicking game and in this respect the Omaha boys showed themselves to be experts. Thomas sent the ball at will through the atmosphere for long gains, Fairbrother and others were always on hand when it came down. In this way but few gains were made by the visitors in catching these punts. On the kick-off by West, Thomas got the ball and started with a vengeance, covering fifty-five yards. It fell in the arms of Laird, but Fairbrother had him down before he was able to advance. The visitors were unable to break through the impregnable line of Omaha and resorted to a punt, giving Tracy the chance for a thirty-yard run and placing the ball in a position where on the next line-up "Dusty" Roberts went through for another touchdown. After the locals had made their fourth touchdown, Tabor began to nerve up and scored the best playing of their side during the game. The ball was kicked off from the center and when Tabor gained its possession, for the first time it seemed to the spectators that a score would be made. Laird went around the end and had almost a clear field before him for the coveted goal. The only barrier loomed up in the shape of Captain Tracy, who proved equal to the occasion, for Laird was deftly tackled and fell to the earth. He made a twenty-five yard gain, however, which was the best record made by any of the visitors. Again the pigskin was maneuvered down in the pocket by the High school players and in due

A Certain Cure for Piles. The Pyramid Pile Cure is a success because it has the merit which brings success. It cures every form of piles and cures them to stay cured. It is now the most popular and best known pile remedy before the public, and one reason for its great popularity is because it has taken the place of surgical operations, once considered the only sure cure.

People often wonder that so simple a remedy will so promptly cure such an obstinate trouble as piles are well known to be. Yet the greatest remedies and greatest inventions we have are the simplest, and the fact that it does cure is the all the sufferer from piles wants to know.

The Pyramid Pile Cure cures piles in any stage of the disease, as shown by the following testimonial letters, which are published every week and new case reported each time.

From Geo. C. Geick, Owens Mills, Md.: Some time ago I bought a package of Pyramid Pile Cure for my wife, who had suffered very much. The first trial did her more good than anything she had ever tried. It is just as represented.

From Richard Loan, Whipple, Ohio: I have used the Pyramid and am entirely pleased and satisfied with results. It does the work and no mistake.

Mr. W. R. Hines of Magnolia, Ark., says: After I had used the Pyramid Pile Cure only a very short time, yet it has been very beneficial to me.

From Mrs. Peter Lake, Mohawk, N. Y.: I received the Pyramid Pile Cure, but put off using it until last week, when I became so bad I decided to try it. I have suffered twenty-nine years with drugging piles and have used a great deal of medicine, but never had anything that did as much for me as your remedy.

The proprietors of this remedy could publish columns of similar letters to the above to show what it will do in different cases.

The Pyramid Pile Cure is prepared by the Pyramid Drug Co. of Marshall, Mich., and for sale by druggists everywhere at 50c per package. One package is sufficient to cure any ordinary case. Your druggist will tell you more about it.

time the fifth touchdown was made. When time was called the ball was within twenty-five yards of the Tabor goal.

The decisive victory of the Omaha High school in Saturday's game establishes its supremacy among the intercollegiate teams of Nebraska and Iowa. Every game played this season has been won—Bellevue college, Hastings college and the Omaha Alumni having gone down to defeat before it. Tabor college has played three games before the contest with Omaha. It defeated Council Bluffs 20 to 0, and has suffered defeat but once this season—by Red Oak, when the score was 6 to 5. The line-up:

Omaha. Positions. Tabor. Fullback. Laird (Capt.) (Clark) Left halfback.... Torrence. Right halfback.... Peale. Guard.... Chamberlain. Quarterback.... Thorndike. Fairbrother. Right end.... Hazen. Welch. Right tackle.... Star. Cushing. Center.... McClure. Sorenson. Left guard.... Welpthon. Roberts. Left tackle.... Pfleider. Griffith. Right end.... Johnson. Two touch-downs: Welch 2; Fairbrother, Hobart. Goals from touch-downs: Thomas, 3. Time of halves: 30 minutes.

TIGERS SHUT OUT NEBRASKANS.

Loss of Game Attributed to Slowness of Nebraska Players.

LINCOLN, Oct. 21.—Special Telegram to the Bee.—The University of Nebraska foot ball team met defeat by a score of 11 to 0 this afternoon in a championship game with the Missouri Tigers. The loss of the game is attributed to the slowness of the Nebraska team, the weakness of its line and two runs made by the visitors.

Missouri had a decided advantage during the first part of the game by having a strong wind in its favor. The weather, a cold, dry, north wind, did not have much to do with the result.

Two twenty-five minute halves were played and throughout the two periods the Wisconsin men carried consternation to the hearts of the Yalies by samples of foot ball which seemed to be invincible.

Richards Wins the Game.

When nearly every spectator had concluded that the game would end in a tie at 0 to 0, Richards, a Yale halfback, who replaced Chadwick in the second half, was given the pigskin. He returned it on Neale's 45-yard line, and, after a series of passes, he scored past the Wisconsin rush line and then, being left to his own resources, wiggled his way through the entire Wisconsin back field, eluding the four crack backs of the Badgers and ultimately planting the ball squarely behind the goal posts.

The game in many respects was the finest ever witnessed on the Yale gridiron, for it was not until within the last five minutes of play that the Yale men were able to cross the coveted goal line. At the play was an extraordinary character for the scoring came only after a thrilling run of sixty-five yards by Richards. The Yale halfback, who was carried by magnificent interference past the Wisconsin rush line and then, being left to his own resources, wiggled his way through the entire Wisconsin back field, eluding the four crack backs of the Badgers and ultimately planting the ball squarely behind the goal posts.
