

FUSIONISTS IN THE DUMPS

Decidedly Downcast by Reason of Dismal Election Prospects.

BOHEMIAN REVOLT A TEMPEST IN A TEACUP

Leadership of John Rosicky Has Lost Its Hold Upon the People He is Trying to Deliver.

The dismal outlook for the fusion sham reformers in Douglas county has cast a damper upon the ardor of the Herdman gang. There is not a gleam of hope to be gained from the registration figures.

The most conservative estimate, based upon the total vote for the two days' registration, would give the republicans anywhere from 2,000 to 2,500 majority in the county.

Rosicky's Revolt Falls Down.

The only thing that the local fusion managers still bank on is the revolt among the Bohemians, as they call it, under the leadership of John Rosicky.

As a part of its campaign of unscrupulous falsehood and scandalous feckery the World-Herald is publishing a letter which has been sent out through the fusion machine over the signature of Jacob Marks to the Bohemians of the city in order, if possible, to array them against the republican party.

The bluff thrown out by the gang running the fusion campaign in this county received a sudden cold-down yesterday.

Another case of popocate crawling is reported as growing out of the loud talk of the notorious Walter Moise.

Local republicans are trying for Mercer. Mercer is one of the best popular republicans in this district and every one here desires an opportunity of listening to his talk.

SEVENTH WARD REPUBLICANS

Good Crowd Listens to Exposures of Some Fusion Fallacies and Pretenses.

The Seventh ward republicans held an interesting meeting with a good attendance of voters at 1208 Park avenue last evening.

George A. Day presided.

Henry Finko of Milwaukee was first introduced and spoke for some time on national issues, merely mentioning state issues to say that republicans everywhere are interested in this year in the result in Nebraska.

On the second day of registration the democrats and populists worked hard and had many number of carriers out among the voters.

WOODBURY'S BANK ASSIGNS

President of Omaha Water Company Forced to the Wall—Local Interests Are Intact.

PORTLAND, Nov. 2.—The private banking firm of Woodbury & Moulton, consisting of Theodore C. Woodbury and Edward H. York, has made an assignment.

No statement of the financial standing of the house has been made public, but it is estimated in banking circles here that the liabilities may reach \$700,000.

When the news was circulated that the house had failed a large number of depositors hastened to the building where the firm did business and clamored for assignment.

The cause of the assignment is not clearly known, although it is said that the house lost heavily on recent investments in western water bonds and securities of a recently formed industrial combine.

Local officers of the Omaha Water company, of which Theodore C. Woodbury is president, express surprise at the news of the assignment and state that they have had no intimation of it.

HOBART SOMEWHAT IMPROVED

Vice President Rests Well During the Night and His Pulse is Stronger.

PATERSON, N. J., Nov. 2.—A m. No apparent change is reported in the condition of Vice President Hobart. He retired early and shortly after 1 o'clock this (Friday) morning Hobart Tuttle said that he was sleeping quietly.

PATERSON, N. J., Nov. 2.—The condition of Vice President Garret A. Hobart was unchanged this morning. At half past 7 o'clock it was announced at his home, Carroll hall, that he had spent throughout the night with out awakening and that he was still asleep.

Dr. Newton, the attending physician, spent the night in the Hobart home, but was not called upon after 11 o'clock last night. Mrs. Hobart retired early, as the strain upon her has been great during the last two weeks, and the nurses were the only ones who sat at the bedside of the vice president all night.

The first telegram received at the Hobart home this morning arrived at 7 o'clock and was from President McKinley. It was addressed to Mr. Hobart and read as follows: "Pleased to hear that your condition is improving. Mr. McKinley joins with me in sending love. WILLIAM MCKINLEY."

At 2 o'clock this afternoon a bulletin announced: "There has been no change in the condition of Mr. Hobart, but the pulse is slightly stronger."

At 1 o'clock Vice President Hobart was reported to be resting comfortably. Another telegram was received from President McKinley today. It expressed sympathy for Mr. Hobart and the family and also said the president was much cheered by the late bulletin.

The people of Omaha feel very grateful for the great benefit they have received from the use of Morrow's Kid-Ne-Olds, the great remedy for backache, dizziness, sleeplessness, nervousness and all diseases arising from the kidneys.

Mrs. H. C. Rogers, 409 North 14th St., says: "For the past three or four years I have been suffering from kidney backache, also with spells of severe headaches, nervousness, dizziness and urinary troubles of an annoying nature. I secured some of Morrow's Kid-Ne-Olds and followed the directions closely. In a few days all the symptoms were greatly relieved. The backache disappeared, and the other troubles less annoying. I will continue to use Kid-Ne-Olds, for I know they will cure me in a short time."
