

DOINGS IN SUPREME COURT

Several Important Cases Are Submitted to State's Highest Tribunal.

STATE AGAINST HOME INSURANCE CO.

Argued and Submitted, Attorney General Smith Appearing for Commonwealth—Points of the Celebrated Case Outlined.

LINCOLN, Nov. 8.—(Special.)—The supreme court met this morning and several important cases were submitted, among them the case of the State of Nebraska against the Home Insurance company of New York.

One of the contentions of the defendant insurance company was that the state, after having knowledge of Moore's delinquency, made a demand for him to make it good and that he paid \$4,000, which was duly received by the state.

The case was argued before the supreme court by Attorney General Smith and Assistant George Corcoran for the state and by Greene & Brenneman for the defendant.

The case of Dr. Farnam against the City of Lincoln, an action brought to restrain the city council from accepting an offer to compromise a debt of the Lincoln Traction company to the city of Lincoln, was also submitted.

JURY ASSIGNS NO BLAME.

ST. PAUL, Neb., Nov. 8.—(Special.)—The coroner's jury in the case of John Hill, found dead on Canada hill, has returned a verdict that he came to his death after drinking a large quantity of alcohol.

The coroner's jury fixes no blame and the two young men, Crow and Carr, that were with the deceased at the time, have returned.

NEBRASKA CITY, Nov. 8.—(Special.)—The republicans elected five of their candidates on the county ticket by the following majorities:

The fetishism of savage Africa makes us shudder, and fills us with disgust. Yet we have fetishes of our own, one of them great, widely worshipped, and in whose name crimes, unnumbered, are daily perpetrated.

To that powerful fetish thousands of mothers annually make sacrifices of their daughters. For what is it but a sacrifice to the fetish ignorance to permit girls to blossom to womanhood, and enter the marriage relation without one helpful hint of the obligations of that relation and its physical perils?

Just the word which the mother fails to give, the girl's education would turn to the young girls' attention to the danger of irregularity. For it is in the ignorance of the necessity for regularity in the periods that the foundation is laid for the debilitating drains, the female weakness, bearing-down pains, inflammation and ulceration that rob marriage of joy and motherhood of happiness.

That "God-send" for women Dr. Pierce's Favorite Prescription, establishes regularity of the periods, dries up all unhealthy drains, cures female disease, and inflammation and ulceration of the peculiarly feminine organs.

Women suffering from diseases peculiarly feminine, may consult Dr. R. V. Pierce, by letter at the Invalids' Hotel, Buffalo, absolutely without charge or fee. Each letter is opened in strict privacy, read as sacredly confidential, and to preserve the seal of confidence, embossed, all replies are sent in plain envelopes, bearing no singleness of printed matter.

SAMOAN ACT IS REPEALED

Fusionists Will Dissolve Partnership and Make Division of Islands.

GERMANY AND BRITAIN COME TO TERMS

Bargain Concluded Subject to American Approval Whereby Each Nation Concerned Will Come into Certain Territory.

Berlin, Nov. 8.—It was officially announced this morning that an agreement, subject to the approval of the United States, had been arrived at between Great Britain and Germany, by virtue of which the Samoan act is repealed and the islands of Upolu, Savaii and the small adjacent islands fall to Germany as free property, and the island of Tutuila and the subsidiary islands go to the United States.

Great Britain, it is added, renounces any claim to the Samoan islands and Germany, in turn, renounces any claim to the Tonga islands and to Savage Island in favor of Great Britain, and also cedes Cousueul and San Isabel, the two easterly islands of the Solomon group, with their insular surroundings, to Great Britain.

New Boundary in Togoland

At the same time an arrangement has been arrived at between the two powers by virtue of which the neutral zone in the hinterland of German Togoland and British Gold Coast will be divided in such a manner that the boundary of the German and British territories will be formed by the Paka river up to a point where the latter cuts the ninth degree of latitude, thence north by line to be fixed by a mixed commission. This is to be a mixed commission. The countries of Mamprui and Gambaza shall fall to Great Britain and the countries of Yendi and Chakosi to Germany.

IN THE JUDICIAL DISTRICTS

Returns Somewhat Incomplete, But Fairly Indicate the Result.

The returns on judges of the district court look considerable of being complete, but generally give a certain indication of the result. In the Second District Paul Jessen of Otoe, republican, defeats Judge Ramsey of Cass. In the Third District Frost, Hall and Cornish, republicans, are re-elected. In the Fourth (the Omaha district) all seven of the republican candidates are elected.

The case of Dr. Farnam against the City of Lincoln, an action brought to restrain the city council from accepting an offer to compromise a debt of the Lincoln Traction company to the city of Lincoln, was also submitted.

ARGUMENTS IN WAR TAX CASE

To Test Whether Transportation Companies or Shippers Shall Pay Revenue on Packages.

MARRIAGE LICENSE FOR DEWEY

Adminal Applies for Permit to Wed Mrs. Mildred Hazen.

WASHINGTON, Nov. 8.—The United States supreme court today began the hearing in the case of the Merchants' association of New York, brought in the name of William Crawford, against the Adams Express company, to test whether the transportation companies or the shippers should pay the war revenue charged on packages sent by express.

Frederic R. Kellogg, on behalf of the merchants, contended that the tax is imposed exclusively on the business of transportation and is intended to be borne by the carrier in all cases where it accepts goods for transportation.

Mr. Steele, as counsel for the express companies, took the position that the war revenue tax was not intended by congress to be imposed exclusively upon the express company, even in the first instance, but it is placed simply on the transaction of shipment.
