Missionary Address.

Bishop Morrison gave a short missionary address to the congregation of St. Paul's church yesterday morning in which he stated that he was endeavoring to raise \$4,000 as a fund to assist those parishes which were nonself-supporting and to enable services to be held in a large number of places throughout the state where the people have been unable to secure or support an Episcopal minister. He referred to the fact that almost half of the counties in the state were without the services of the church. Rev. Dr. Lynch of Ottumwa and Mr. George Edward Marshall of Keokuk made short talks along the same line. In the evening Bishop Morrison confirmed a class at Grace church and made another missionary address. The bishop is making a tour of the diocese for the purpose of raising this fund.
