Nature's Strength for Weak Men

If you suffer from any weakness peculiar to men—of the disorders, the direct result of youthful indiscretion or excesses in later years—the very best possible thing you can do is to put drugs into your stomach. The medicines all doctors use for these diseases—morphine, damiana, cantharides, trychnin, phosphorus, etc.—are deadly poisons—they stimulate or deaden—they cannot cure. There are a great many more drug wrecks than a lice infestation. I am telling you the truth—no one can deny it. I offer you the only natural remedy for all weak men and women—ELECTRICITY—and I absolutely guarantee a permanent cure where the Electricity is applied by greatest of remedial agents.

DR. BENNETT'S ELECTRIC BELT

You get Electricity by treating with my Belt in its purest form. There is no possible chance for it to injure you. It does not stimulate. It gives strength. To get good results from Electricity, you must have constant application several hours at a time. You cannot do this with the batteries used in doctors' offices. My Belt does not bother you in any way. It does not cost anything. You can rest assured my Belt will not burn or blister you, as do all the other kinds of Electric Belts. It has soft, silken, chamois-covered sponge electrodes that entirely do away with the burning. It can be renewed when worn out for 75 cents—no other belt can be renewed for any price. Guaranteed to cure Sexual Impotency, Lost Manhood, Varicocele and all Sexual Disorders; restore shrunken or Undeveloped Organs and Vitality; cure Rheumatism in any form; Kidney, Liver and Bladder Troubles, Constipation, Dyspepsia, Female Complaints, etc.

Call at my office if you live in the city. If out of town, write me, secretly confidential—and I will send you my symptom blanks, books and literature. My Electric Suspensory for the various weaknesses of men FREE to every male purchaser of one of my Belts. Consultation and advice without charge. Sold only by

LIKELY TO MOVE TO OMAHA

Belief that D. E. Thompson Will Become a Resident of the Gate City. NEW INSURANCE COMPANY MAY DO IT

Smith and Oldham File Brief in the Supreme Court in the Insurance Case of Counsel Against Poynter.

LINCOLN, Nov. 20.—(Special.)—The exclusive announcement in the Bee Sunday morning of the organization of a new fire insurance company by D. E. Thompson has led to a deal of speculation in this city as to whether Mr. Thompson will make his future residence in the state metropolis.

Mr. Thompson said recently that he had not decided to leave Lincoln, but it is generally believed here that he will locate in Omaha as soon as the new company is organized and ready for business.

It is announced on good authority in Lincoln that Mr. Thompson has a contract with the government in connection with the construction of a railroad. Just where this work is to be done is not known, but it is possible that the rumor originated from the report some time ago that Mr. Thompson had completed arrangements for the construction of a railroad in Mexico, to connect his coffee plantations with another railroad.

The official election returns have been received at the secretary of state's office from all counties but Seward. This county is expected to report within the next two days. The canvassing board will meet November 27.

F. G. Hamer, candidate for judge in the Twelfth district, has certified to the secretary of state that he spent \$140 in the interests of his candidacy during the campaign. W. W. Wood, candidate for a similar position in the Fifteenth district, spent \$45.32, and R. L. Keester, in the same district, spent \$100.

Cornell Against Poynter. Attorney General Smyth and W. D. Oldham today filed in the supreme court a separate brief in the case of Auditor Cornell against Governor Poynter, which will be submitted to the court tomorrow.

The brief is a short one and contains the theory of the legal department of the state concerning the constitutionality of the Weaver act. The attorney general in his brief says the case is not a contest between the executive branch of the government and the legislative and judicial branches, but that it is a contest between two of the executive officers for the direction of the Weaver act.

Attorney General Smyth has shown no disposition to take an aggressive part in the insurance case and the brief filed today is an evidence of unwillingness to defend the Weaver law in behalf of the governor. Only a few new theories are advanced and the brief closes with the assertion that in case of doubt every rule of construction should be directly and clearly inconsistent with the language and subject matter, should be made in favor of the constitutionality of the act.

Greek Letter Fraternity. Zeta, province of the Phi Delta Theta college fraternity has just closed its annual convention at the delegates from the different chapters over the west have departed for their homes. The presence of the visitors in this city lived things up in university and social circles. Numerous entertainments were given in their honor and the ball at the Lincoln hotel Friday evening was by far the swiftest social event of the season.

Zeta province includes fourteen chapters and delegates were in attendance from Wisconsin, Minnesota, Illinois, Missouri, Kansas and Nebraska. Phi Delta Theta is one of the strongest of the college fraternities and the Nebraska Alpha chapter stands especially high in this city. For several years the chapter has occupied a handsome residence on S street, near the university buildings.

The convention opened Thursday morning with an address of welcome by Dean Sherman of the university. In the afternoon a tea was given in honor of the visitors by Mrs. W. Morris and Mrs. J. H. Taylor of Omaha. She was assisted by about forty members of different university societies. Friday afternoon the Kappa Kappa Gamma sorority tendered a reception at the home of Mrs. J. H. Taylor. In the evening the grand ball was given by the local chapter in the Lincoln hotel. Saturday morning the Delta Gamma sorority gave a breakfast for the visiting fraternity men and members of the local chapter in their apartments in Ingleside. A banquet at the Lincoln hotel Saturday evening terminated the social festivities in connection with the convention. Most of the delegates remained over until today.

Supreme Court Cases. Several cases of more than ordinary importance will be submitted at the next sitting of the supreme court, which begins tomorrow morning. Among these are the case of Paxton and others against the State of Nebraska, the appeal of the old Hartley case, the case of Attorney General Cornell against Governor Poynter to test the Weaver act, and the case of the State against the Home Insurance company, in which is involved the right of the state to recover the money paid by insurance companies to Eugene Moore and which he failed to turn into the state treasury.

The Lincoln Ministerial association, an organization composed of nearly all of the divines of the city, has under discussion the subject: "The State of Religion in Lincoln." So far the discussion has been devoted to the Sunday phase of the question, the ministers taking the stand that Sunday newspapers are productive of no good and that the custom of publishing church notices in the Sunday editions of newspapers should be discontinued.

Rev. Mr. Hindman of the First Presbyterian church preached before a large congregation yesterday on the subject: "Should Polygamist Roberts Hold a Seat in Congress?" He took the negative of the question and criticized Roberts for having four wives. Two Mormon elders who have been in the city for the past few months are leaving to get converts to their faith were present and at the close of the sermon both stood up when the pastor asked all who were in favor of seating Roberts to rise. The minister said he was glad they were present and that they had heard what he said. The Mormons made no reply. The incident created a sensation.

LINE UP AT PIE COUNTER

Democrats Meet at Lincoln to Discuss the Question of Dividing the Spoils.

LINCOLN, Nov. 20.—(Special.)—A meeting of prominent democrats was held here this evening in the interests of Lee Herd, man of Omaha, candidate for the appointment of clerk of the supreme court and state librarian. There is a growing feeling among the democrats that the populist candidate for the position should be defeated at any cost and the meeting tonight was for the purpose of discussing the best means to bring about this result.

Herbert Maret came down from Omaha this morning to take a hand in the campaign and it now transpires that he has been promised the post of secretary of the University Board of Regents in order to give Herdman a clear track for the clerkship. This has also caused the populists to rise up in indignation, for it means that another very important position will be a reward to a democrat. J. Stuart Dales, the present secretary of the board of regents, is one of the most popular officials in the institution. He has been in his present position since the earliest date of its organization and has a better knowledge of the details of the business of the institution than any other man.

Friends of the newly elected regents of the university tonight emphatically denounce the report that Benton Maret had been promised the position of secretary of the board, but it is generally believed that a demand will be made upon them to have him appointed to that position.

Among the prominent democrats who met tonight were I. J. Dunn of Omaha, F. J. Morgan of Plattsmouth, E. C. Thomas of Seward, C. J. Smyth and E. P. Smith of Omaha and W. D. Oldham of Kearney.

GET PLEDGES FOR HOLCOMB ONLY. One Scheme by Which Popocrats Snared Republican Voters. NORTH LOUP, Neb., Nov. 20.—(Special.)—One of the means by which the populists carried the state at the last election was revealed by one of their henchmen in this township, who has more zeal than discretion. The township of North Loup, which for years has given a republican majority of from six to twenty votes, at the last election gave nine majority for Holcomb.

The populists obtained a list of republicans who it was supposed might be influenced into supporting the head of the ticket first. Thirty republican names were listed and then a committee of six was appointed and each man of the committee was given five names, with instructions to win over at least one of them to vote for Holcomb. No money was to be used to get votes for any other candidate and the result shows that the scheme worked to a charm and that Holcomb was elected by republican votes.

The committeeman who gave the information says that every township in the state was worked in the same manner and as he showed the list in his possession, fully one-half of the names were marked with a cross to indicate those who had pledged themselves to vote for the head of the populist ticket.

JAY TRIAL WILL BEGIN TODAY. November Session of the District Court Begins at Atkinson. AINSWORTH, Neb., Nov. 20.—(Special Telegram.)—The November session of the district court for Brown county opened this morning, Judge W. H. Westover presiding. There is a light docket. Today was taken up in civil cases, but tomorrow, in the celebrated Jay case will come up for trial. This is the case of Ed Jay, charged with stealing a span of horses from the Bell Cattle company. Witnesses are here from Valley and Carter counties and the trial is in readiness. It will be highly contested, the prosecution being represented by M. F. Harrington of O'Neill and the defense by C. C. McNish of Fremont.

Following this trial will come the case of several persons indicted for gambling and whisky selling at the June term of the district court, which had a grand jury attachment, together this promises to be the most interesting term held in Brown county for several years.

NEBRASKA FARMER IS A SUICIDE. Bohemian Who Lived Near Marshland Cuts His Throat with a Razor. MARSHLAND, Neb., Nov. 20.—(Special Telegram.)—Frank Kaura, a Bohemian farmer who resided three miles southwest of this place, committed suicide yesterday by cutting his throat with a razor. Kaura recently purchased a farm about six miles from his home. Kaura was quite a well-to-do man and had four children. Family trouble and financial reverse are said to be the cause. Coroner J. T. Sampson held an inquest today. The funeral will take place tomorrow.

Pawnee District Court Postponed. PAWNEE CITY, Neb., Nov. 20.—(Special.)—The November term of the district court for Pawnee county, set to meet November 20, has adjourned to December 4, on account of unusually heavy dockets in other parts of the district. The local docket is one of the lightest in the history of the county, consisting of only thirty-seven criminal and one civil case.

Corporal Turner Irwin of the Twelfth United States regulars is in Pawnee visiting his parents. Irwin served in the Spanish-American war, taking part in the battles of Santiago and San Juan, and afterwards taking part in the Philippine campaign.

Two Occurrences at Winner. WINNER, Neb., Nov. 20.—(Special.)—John Roberts, an employe of George N. Adams, and who lives four miles south of town, caught his right hand in a feed grinder this morning, cutting the big finger completely off and crushing the index finger badly.

William Gianbren, an old settler living five miles southwest of town, suffered a stroke of paralysis yesterday. He is now very low and the chance for his recovery are few.

Cattle Thief Breaks Jail. NELOH, Neb., Nov. 20.—(Special Telegram.)—John Wiley, the man being held for the theft of twenty-three head of cattle from Huffman & Rollins about two months ago, broke jail this morning about 10:30. A better time for the escape could not have been selected, as a doze of rain was falling, making it impossible to see more than his grips and all throat and lung troubles. It formed for his capture. A reward of \$50 is offered.

Syrian Lecture at Humboldt. HUMBOLDT, Neb., Nov. 20.—(Special.)—At the opera house a lecture on "Occultism" was delivered by Dr. P. E. George of Lincoln. At the Presbyterian church at the same hour Rev. David and wife, natives of Syria, talked in the interest of the orphan's home in their country.

SIX VICTIMS OF THE WRECK

Half a Dozen Dead as the Result of Sunday's Smashup. SAD SCENES AROUND THE CHARNEL HOUSE

SIoux FALLS, S. D., Nov. 20.—(Special Telegram.)—One of the four Italians injured in the terrible accident yesterday on the Omaha railroad near Humboldt, now in the hospital here, is very low and not expected to recover. Another will recover if unlooked for complications do not set in. The other two will recover. The list of dead just obtained is as follows: EDWARD HOWARD, ANTONIA ANDREA, ANTONIO ALIBELLO, JOSEPH MENONE, FRED DARRKELL, WERTEL GARELLI.

The first named is an American and the remainder Italians. Sad scenes have been witnessed today around the undertaking rooms in this city where the mangled bodies lie. An old man, whose 15-year-old son was one of the killed, notwithstanding the vigils of the night, spent the greater part of the day at the undertaking rooms. His grief was insupportable. Not until completely exhausted was it possible to lead him away.

Search of the bodies by officers for money and valuables resulted in discovering a wallet containing \$100 in cash. It was in a leather pocketbook beneath the underwear. On the body of another was found \$50, while on a third was \$60. Much interest centers around the coroner's inquest tomorrow.

It is difficult to see how Engineer Germer of the construction train can be blamed for the accident. Upon rounding the curve Brakeman J. W. Harris saw the handcar with the men on it and signaled Engineer Germer to stop. The engineer immediately applied the brakes, but could not prevent the train striking the handcar then abandoned on the track. The construction train was going only about six or eight miles an hour. Had the cars which turned over and crushed the workmen been loaded instead of empty they would not, in the opinion of railroad men, have left the track at all. It is still raining.

Reception to a Manila Hero. BEATRICE, Neb., Nov. 20.—(Special.)—Lieutenant Arthur Kavanaugh, who was with Dewey at Manila, arrived in the city yesterday. Everything is in readiness for a big reception in his honor.

Shrievly Candidate Contests. CULBERTSON, Neb., Nov. 20.—(Special Telegram.)—J. M. Crews, populist candidate for sheriff, has contested the election of John Br. Shrievly of Lincoln, who was elected by a majority of nine.

Rain at Brady Island. BRADY ISLAND, Neb., Nov. 20.—(Special Telegram.)—Rain commenced falling here yesterday and continued for several hours. About one and a half inches fell. The weather is very warm.

Quail Hunters Do Well. BEAVER CROSSING, Neb., Nov. 20.—(Special.)—Quail hunters infest the fields in and about the town of Beaver Crossing. Many large strings have been reported.

Spread Like Wildfire. You can't get rid of the thing. News of it travels fast. When things are "the best" they become "the best sellers." Abraham, a lesser druggist of Bellevue, O., writes: "Electric Bitters are the best selling bitters I have yet handled in my 20 years' experience. You know why? Most people are afflicted with indigestion, headache, dizziness, blood and nerves. Electric Bitters tones up the stomach, regulates the bowels, purifies the blood, strengthens the nerves, hence cures multitudes of ailments. It builds up the entire system, adds strength and vigor to the body, and is sold by Kuhn & Co., druggists; guaranteed."

County Treasurer Missing. Yankton County, South Dakota. Has Begun a Search for the Missing Treasurer Peterson Has Gone.

YANKTON, S. D., Nov. 20.—(Special.)—County Treasurer A. W. Peterson of Yankton county is missing. He left the city last Thursday afternoon, ostensibly for Gayville, at which place he has failed to appear. Nothing has been heard of him since. His bondsmen, who have become exceedingly uneasy, are engaged in looking for him. It is not yet known whether there is a shortage or not, but the anxiety of the bondsmen would indicate that they believed there is.

FIRE AT AN INSANE HOSPITAL. Much Excitement and \$2000 Damage at Yankton Asylum. YANKTON, S. D., Nov. 20.—(Special Telegram.)—A small conflagration at the hospital for the insane night was caused by the application of a lantern in a closet in one of the wards where bottles were kept containing benzine and kerosene. The fire created a good deal of excitement, doing damage to the amount of \$200.

Will Be Tried in Nebraska. CHEYENNE, Neb., Nov. 20.—(Special Telegram.)—Kinch McKinney, who was arrested at Laramie yesterday on his release from serving eight years in the state penitentiary, was brought here today by United States Marshal Samuel H. Jones. He was given a hearing before Judge Riner, who ordered his removal to the district of Nebraska, where he will be tried for obstructing the United States mail.

Noted Criminal Released. LARAMIE, Wyo., Nov. 20.—(Special.)—Kinch McKinney, a noted criminal, who has been in the Wyoming penitentiary for the last eight years, was released today. He was at once rearrested by United States Marshal Hadsell and will be taken to Nebraska to answer a charge of robbing the United States mails, an indictment having been returned against him by a United States grand jury.

South Dakota State Timber Sale. PIERRE, S. D., Nov. 20.—(Special Telegram.)—W. A. Prather of the state land department has gone to Charles Mix county, where he will offer for sale dead and down timber on state lands under the provisions of the law of the last session.

J. D. Bridges, editor "Democrat," Lancaster, N. H., says: "One Minute Cough Cure is immediately relieving and cures coughs, colds, croup, asthma, pneumonia, bronchitis, grippe and all throat and lung troubles. It prevents consumption."
