"This spring she had a nice boy weighing

Pierce's Prescription and it did wonders for her.

This spring she had a nice boy weighing eleven pounds she got through before we could get anyone there. I was afraid she would not live. We cried for joy when we saw how nicely she got along. I cannot say enough in praise of your 'Favorite Prescription.' I never sent a recommendation of a medicine before. I hope all women will try it. May God bless you for the good you have done.

Any woman may write to R. V. Pierce, M. D., of Buffalo, N. V., in absolute confidence. Her communication will be thoroughly and earnestly considered and she will receive sound, professional, fatherly advice (in a plain sealed envelope) free of charge.

IT'S BETTER TRENTON, N. J., Nov. 22.—Articles of in- FOR A MAN TO DRINK

AT HOME with his wife and family than to sneak off

quietly to obtain

CABINET BEER There's more real enjoyment in sitting down at home and sipping a small glass of it than standing up to a bar with a crowd of 'good fellows,' where each one thinks it ecessary to pay for a "round" before ultting. The effect is bad-consequences rorse. Insist upon your husband keeping he gold medal kind at home. It's the kind he wants and a little of it will do you good as well.
