Dr. Bennett's Electric Belt in the Only One in the World Absolutely Guaranteed to Cure in Every Case-I Will Frankly Tell You So If My Belt Will Do You No Good.

When manhood's characteristic energies have been dissipated by vielous courses, excesses, overwork, etc., Electricity is the excenses, overwork, etc., Electricity is the only sure and permanent cure. Any con-scientious physician will tell you this, Drugs cannot cure these obstinate and morifying diseases-they simply tempor-arily stimulate-they oppose, not aid na-ture. Sexual impotency, Seminal Weak-nass, Varicocele and Wasting and Sbrink-ing may be radically and permanently overcome by the proper application of a good, strong, stendy, never wavering, pen-otrating current of Electricity. ### Unconscious Man Lived a Week Full of Exciting Events.

The story was told over luncheon by ; man on 'Change, relates the New Orleans "One day years ago," he said, Times. 'shortly after laughing gas was introduced as an anesthetic, I got a case of rip-roaring toothache and went to a dentist on St Charles street to have the molar snatched out. I remember leaning back in the chair and taking a few whiffs of something that tasted sweet, and then, in the twinkling of an eye, I found myself on the quarter-deck of a man-of-war. There was no middle Wilbur Baker, who is under arrest at Ot- period of drowsiness or confusion; the whole wa, declines to go back to Plattsburg, to stand trial for perjury without a say it seemed perfectly natural, strange to say, it seemed perfectly natural. I understood, without the slightest bewilderment, more that the civil war was in progress; that & | was an ensign on a federal cruiser, and that we were in search of the Alabama. I was in the navy, you know, before I came to live in New Orleans, and the routine of a ship was as familiar as my own name. I seemed well acquainted with everybody on this par-
