Afraid to Find Out-

We often have people remark "this is something I have been dreading" when having their eyes examined. You needn't dread a visit to us in the least, we assure you. If we discover you don't need anything we will tell you so. If you do we will tell you what, and we won't urge you to take our advice against your wish. If you suspect any eye trouble drop in and see us. You will at least be treated courteously:
