BOER GUN DOES GOOD WORK

Reports from British Sources Say that the Dutch Shoot Straight,

But Hit Nobody. (Copyright, 1899, by Press Publishing Co.) FREERE CAMP, Dec. 7, 4:05 p. m .- (New York World Cablegram-Special Telegram.) -(By runner from Ladysmith.)-Since the last telegram the hombardment has become

heavier than previously The Boers' new gun on the middle hill has done no damage. It has only fired sporadically, its fire now in large numbers, but all the British are in being restrained. Two old six and threetenths inch howitzers are doing excellent Their fire is remarkably accurate. The Boers have posted a new six-inch Creusot gun on a hill considerably this side | Libby have shipped 750,000 pounds of cannel town and camp and the firing is remarkably

of Lombard's kop. It commands the whole accurate, but luck is still on the British side. There has been a number of narrow escapes. The Boers spent Thursday shelling the town, especially the hospital in the town ball.

In the afternoon one shot killed one and wounded nine men. Twelve hespital orderlies are now wounded. This is deliberate because General White warned the burgher that the town hall is used for a hospital Other Boer guns are equally active and especially those in the northwest, except the

Creusot on Umbulwani hill. The suspicion is growing that old Long Tom has been def initely knocked out. It lost two wheels and the muzzle is bent by a shot from the naval The same shot killed five men. On Thursday our artillery smashed a howitzer on Surprise hill.

We ascribe the Boer activity due to avents in the direction of Colenso, of which we have little accurate information.

This morning the newest gun put twelve shells into the Light Horse camp and six exploded in the heart of the camp. I saw several remarkably narrow escapes during

I have seen several large herds of cattle moving toward the Free State. The natives report there are 1,000 cattle behind Budwani | escaped.

hill. The Boera demonstrated and anxious to resemble the continued of the natives report that 200 attempt to without permission recently. If the natives experiment that 200 attempts to recently. among the Boers in going to , o large losses.

We expect action of some sort, because the increased shelling. In the next few days, The British troops are well and ready for any emergency. The hospital has been removed to a secluded position,

The British howltzer put a shell into the The last two days there has been a renewal of the practice of sniping pickets which lately was in abeyance. Last night the Boers attempted to cut off the patrol of the Nineteenth Hussars on the Help FIGHTING ON MODDER RIVER AGAIN makear road, when they replied vigorously The Boers suffered several wounded and two dead. Probably more will be found today, We observe now considerable movement of the Boers westward. Probably much in the Boer movements that is unintelligible here is explicable in England in the light of news received from Estcourt. The intelligence department is extremely reticent about news from General Clery's column.
