RATES FOR THE HOLIDAYS

Retroads Make Liberal Concessions for Traveling Public and for School Teachers and Students.

Owing to the near approach of the Christmas holidays all the railroads have decided upon special rates for that period. On all the lines operating in trans-Missouri territory there will be in effect a rate of one fare for the round-trip between all points within 200 miles.

For the benefit of students attending educational institutions and teachers therein a liberal agreement has been entered into by all of the railroads belonging to the Western Passenger association. To enable these students and teachers not residing at the points where the different educational institutions are located to visit their homes for the Christmas and New Year's holidays excursion rates will be effective of one and one-third fare where the one-way rate is computed at 3 cents per mile, and in the one-fifth where the one-way rate is over 3 cents per mile.

ADVANCES IN FREIGHT RATES

Interstate Commerce Commission Institutes an Investigation of Changes in Classification.

WASHINGTON, Dec. 8.—The Interstate Commerce commission today instituted an investigation into the matter of changes in freight classification and advances in freight rates by carriers using the official classification and fixed the date of hearing for December 21, at Washington.

The order of the commission states that it appears from an advance copy of the new classification that a very large number of changes from a lower to a higher class will be made and that the difference in classification between carload and less than carload quantities of freight will be thereby considerably increased.
