"The wolves had been captured in heavy steel traps, three of them, but they had not been rendered at all docile by their few days of association with human beings: they had all been lamed by the sharp teeth of the traps and a big, old she-wolf had atthese little coyotes. They were wolves, the mitted. A lunch will be served and no effort and their wives.

"It may have seemed tame to a tenderfoot lodge room. who didn't know anything about the speed

nothing more than the chivalry of the animal. At that moment the coach with the tourists arrived and with them came a fierce female bulldog. The owner was told the reason why the fight could not proceed

and he offered to back his buildog against the old wolf. He was advised against the course, but he insisted and his pet was un-

leashed. "It was all right for the first minute or two. The little buildog was game and commenced the attack on her adversary with the utmost florceness. The wolt still lay on the ground, with half-closed eyes, apparently unaware that anything unusual was going on. Her hide was thick, and the teeth of her small assailant did not bother her much. But the bulldog finally grabbed a 2:45 pm from our English ancestors, or, at least, pat- her by the throat and this took all the in differences out of her. The old wolf strug

time she was more than met. The great ago and I thought it far from exciting. To out whether the game had been worth the

candle."

(Continued from Twenty-ninth Page.)

Cotton Market. NEW YORK, Dec. 16.-COTTON-The cot-ton market opened steady, with prices 20% points lower, and soon became feverish under quite active liquidation by Wall street commission houses. Bear selling helped to force a further decline of 2005 points, after which the market rallied a few points of profit taking by shorts and a full in long selling. The decline was pri-marily due to a sudden downward turn in Liverpool on English reverses in the Trans-vaal. Reports of the world's stock and

vaal. Reports of the world's stock and money markets added to the apprehension of the local holders. The market for fu-tures closed barely steady, with prices ages

class with the rest. Gradually the stog-

hounds closed in on the wolves.

race with an express train.

to devote most of their time to the two

male wolves and the old female began to get away. But the pack was now in striking distance and the fight commenced.

Wolves Killed Five Dogs.

"The two male wolves were soon sur a scrimmage on a foot ball field. The wolves were game and disposed of five dogs before they were killed.

"The old she-wolf had not gone far and her injuries were beginning to tell on her The staghounds overhauled her, and then the rest of the pack came up, followed by the

mounted crowd. A circle was formed around the dogs, with the old she-wolf in their Trenton camp No. 5227, Modern Wood- center. She had laid down, panting and work of the past year has been an addition en of America, of Trenton, Neb., has tired, with a long dripping tongue procruitof over 5,000 in that state.
