THE OMAHA DAILY BEE: THURSDAY, DECEMBER 28, 1899.

Luxe's Young Dream.

from the parent.

New Orleans Reveres the Memory of a Man day lived in a splendid house with dozens filled the thirty-five years of the solitary Despised in Life. talk of the town.

Romance and Philanthropy of John McDonogh, Founder of the City's Schools-A Remarkable 33 111.

On the 29th day of this month the school father. The girl and the young man conta status erected to a miler.

John McDenogh was not a misor, as his- entrepties, tory proves. He was a great and noblehearted genileman, relates the Philadelphia belle continued to live at the apex of the the pairlet.

befor his memory with their Gayarre and slantly in the crowded routine of a small. Almonuster and Lalande

This menument to a miser in the French trouphere of romance; a background of city of America is distinctly unique. No moonly evenings and halcony whisperings. "Ity in this country but New Orleans puts | Finally the fast demand for his daughter's band was minde on the fervent Catholic, its conditions into marble.

Other office may it is fickle, but no one. The same answer was given. decles that when it loves it gives greathearing sweeping presion to the person of Its love.

hated McDonogh once with all the In those days girls did not marry without strength of its volatile French nature. To: the consent of their fathers. The helle of day it loves him, its adoration mincied with New Orleans took the yell. contrition. The story is a long one, heaped up and come a nun.

running over with all the romance and adto the history of New Orleans and its this day. She confessed that if she was not outives.

the first year of this century there came | would wed no other. to New Orleans a singularly handeomeyoung man. He was born of Scotch-Irish stock and combined with his business abililics a romance with which seemed afterward the keystone of his life.

At that day New Orleans considered itself the leading city of America.

It had brought from the old world the life, trok all his slaves and went across perfumed eliquetto and scintilating culture the treacherous river to Algiers. that had made Louis' court the most talked of in Europe. The people of New Orleanst that city that had fawned on and loved like is proverbial. arrived in this country from the best him. aristocracy of Spain and France and when At first society took his decision with key of their doors the rest of America ac- remembered his cavalier hospitality and his knowledged this person as one socially lovable nature and folks sold his retirement

made New Orleans gave to John McDonogh the latchkey of its doors.

He was of the race called "Americans," but he had come from Lord Baltimore's land, and for the courtly cavallers of Maryland the cavallers of Louisiana had respect.

Love's Young Dream.

In all that gay confusion of masked balls and races and ducis and French plays, he was a high figure. The little green gates that harrod the entrance to the inner courtyard of aristocracy were opened to him. He fell in love, and doing all things mightily and well, he chose the most high-placed girl in all of that ante-bellum aristocracy. She was courted by the best scions of old

France and Spain. Her father dreamed for her a royal match.

She was beautiful, she was witty, she had money.

Why not, then, take her place across the sea in the splendor of royalty and not waste bits' worth of that." They said he used his her life on this side of the sea among the barbarous Americans from the north and the savages to the west?

did not woo and wed as they do today. The spend was like a gentleman, but to make fusing than helpful. money to hoard was-bah! too contemptible New Orleans woman of those days was as full of romance as she is today, but the word to talk of "McDonogh, the miser," became a byof her father was the law of the house. And the beautiful young creole's father Old mammics frightened the Creole chilthundered a decided "No" to young McDondren with the phrase in the gloaming. His ogh's suit. "Marry an American," he said, name was the bugaboo of the nursery. As me and take my pride down. But it didn't, "a man without money? My daughter, who must marry into court life in the highest it is known today, this last condition cut he said with conviction. him more nearly to the heart than any circles of Europe! Never!" nestly luck, after all, that helps me out. other. She was an Almonaster. You who know For thirty years this life was led. At the live had girls I was looking for walk right New Orleans know what it is to be that. One up to me on the street and ask me to direct nd of it men despised him utterly. It was is not allowed to forget it even today, for even said that he starved his slaves and them somewhere, and then I've had to put in at the great cathedral the Angelus bell alonfined them over in Algiers, and that was days and nights hunting for others who were ways times the masses for his soul. why so many had escaped and gone to sea. hidden almost under my nose. Mr. Frederick Hatter-

Would look peculiar playing snowball in a slik hat-therefore he picked out one of those popular and dressy cloth caps that we are showing in such a variety of styles and colors-you will find them not only stylish, but comfortable these chilly mornings-they come from 50 cents up. We have quite a number of fine fur cases fur gauntlet gloves and unibrellus left that are most appropriate for holiday presents.
