She befriends them after a fashion, but cannot save Phillip from being taken back to the pirate isle. His father and Saul Mark, routed by other pirates, come to Porto Rico and persuade the governor general to send back an expedition to secure Morgan's treasure. The famous buccaneer has left it in boxes, stuck fast in a lake of burning pitch. No man could bring it out of the pitch and Hye. hence the plan to make young Phillip the bringer. It is frustrated by the discovery that the lake has become a volcano. Then the expedition plans to attack the pirate stronghold and loot it. Ebora, sent to spy, encourages the commander and leads him, full of confidence, to a night assault. The pirates offer no resistance; they cannot, since they are all hanging on trees; but English ships and English sailors rout the expedition utterly Humphrey Spurway is with the warships in a vessel of his own. Then follow briefly the mack of San Juan. the death of Phillip Stansfield the clier and Saul Mark, the rescue of little Anna and young Phillip's mother, the voyage home, the recovery of the estates, and the general knitting of loose ends. From first to last the ac tion is breathless and told with all the author's fire and force.
