The latter is livtrackage and a double track main line from ing at Grand Rapids. Mich. The remains this city to Omaha. When the negotiations will be forwarded to Jackson, Mich., for

for the property just recorded were in interment. progress last summer an attempt was made by agents of the railroad company to se-

cure blocks 57 and 67, located between I and K streets and Commercial street and the tracks. These blocks are occupied by Broadwell Bros. coal yard. Christie Bros. coal yard and the Watkins Lumber yard. A satisfactory agreement as to price could not be arrived at, and negotiations were declared off. It is now asserted that the railroad officials will not pay the price asked, and are planning another arrangement of the tracks south of I street than

that first proposed. An officer of the Union Pacific has assured members of the Commercial club that the company proposes making extensive improvements here during the year and the grading of the blocks noted is the first work to be done. A new and commodious depot is also in contemplation and will be erected about the time track laying is com-

pleted. Tuesday night Member Kelly called the attention of the city council to the fact that a fence was being built across C. D. E. G.

and H streets, the work being done without permission from the council first having been obtained. An investigation shows that this fence is being creeted along the west line of Commercial street and on the

property purchased by the Union Pacific, fence is similar to the one constructed some time ago from the Q street viaduct. along the railroad right of way to Jefferson street. These streets in the northern part the tracks and the fence cannot, therefore, cause as much inconvenience to residents as floes the one extending from Swift's to Jefferson street. For years F street has been

the only thoroughfare open across the

tracks, and no attempt has been made to property, and especially when the company proposes making such extensive improvements here. A certain class of citizens here are continually working for the adto be trying to hold back and throw obstacles in the way of new enterprises. It is asserted that if every one worked tosether for the good of the city, many inlocate here.

# of Gulf Connecting Lines

KANSAS CITY, Jan. 3 -- Charles H. Chap-FOR pell of Chicago and James Hopkins of St. Louis, who were yesterday appointed receivers of the "northern connecting lines," formerly part of the Kansas City, Pittsburg & Gulf system; arrived here today.

"We came merely to take possession of the property," said Mr. Chappell. "There will 750 be no change in management or force and 2.50 the lines will continue operating as they have before. We were in St. Louis yes terday and so came up and shall go easy tonight. Later we shall go over the line 400 and get acquainted with our business."
