Discomfort After Eating.

People who suffer after eating, feeling oppressed with a sensation of fullness and heaviness, and who irequently find the food both to distend and painfully hang like a heavy weight at the pit of the stomach, or who have Biliousness, Nausea, Flatulency, Headache, and Constipation, should use Warner's Safe Cure after meals to avoid these unpleasant consequences of inefficient digestion.

By mixing with the food in the stomach and helping to digest it, by exciting a flow of the gastric juice on the food and by strengthening and invigorating the circulation, and soothing and removing any kidney weakness, the physical and nerve forces of the body are augmented and the general health and strength permanently built up.

Twenty years-one third of life's allotted span-this medicine has been a household favorite for all forms of kidney disease, and all stages of Biliary Troubles. You make no experiment or mistake in using a medicine endorsed by every civilized country. Delays are
