

PIONEER DAYS IN NEBRASKA

Old Settlers Relate Stories of the Times of Long Ago

MANY INTERESTING SKETCHES ARE GIVEN

Annual Meeting of the State Historical Society Opens at Lincoln—President J. Sterling Morton Delivers His Address.

LINCOLN, Jan. 9.—(Special.)—The first session of the annual meeting of the State Historical Society for 1900 was held at the State university tonight.

An interesting paper by David Anderson of South Omaha dealt with the trials, vicissitudes and personal experiences of one of the first settlers who came to Nebraska.

The program closed with the reading of several selections from "The Pioneers of the West," written by John Turner of Indianapolis, who located in Boone county in 1871.

When it came time for dinner, although not in accordance with the laws governing elections, perhaps the general superintendent and no very serious violation, out there on the wild western prairie, to call an adjournment for dinner.

When it came time for dinner, although not in accordance with the laws governing elections, perhaps the general superintendent and no very serious violation, out there on the wild western prairie, to call an adjournment for dinner.

WONDERFUL RESULTS.

People Tell What Has Been Done for Them.

The Testimony of Well Known Citizens Ought Surely to Convince You.

If we publish the recommendation of some person in Omaha who has used Morrow's Kid-Ne-Oids for backache and kidney disorders, and has been cured, you have no reason to doubt.

Morrow's Kid-Ne-Oids are not pills, but Yellow Tablets and sell at fifty cents a box at all drug stores and at the Myer-Dillon Drug Co.'s store.

dent J. A. Marshall of Arlington and Chancellor Hesse of the university, followed by the annual report of Secretary W. H. Barnard of Table Rock and Treasurer Peter Youngers of Geneva.

The North German Fire Insurance association of Hamburg, Germany, and the Lafayette Fire Insurance company of New York were chartered today to do business in Nebraska.

The Pleasanton Creamery company of Pleasanton, incorporated with the secretary of state today. The capital stock of the concern is \$2,000.

Sergeant George E. Kinney of Company G, stationed at Omaha, has been discharged from the service on account of non-residence.

Andrew B. Currier, a private of Company I of the First regiment, has applied to the military authorities for reimbursement for money expended as railroad fare from San Francisco to his home in Columbus, Mo.

An ordinance has been introduced in the city council to raise the salaries of several of the city officials according to the schedule.

City Attorney—Present salary, \$1,200 per year; proposed salary, \$1,500 per year. Assistant City Engineer—Present salary, \$800 per year; proposed salary, \$900 per year.

Other Captains—Present salary, \$65 per month; proposed salary, \$75 per month. Assistant City Engineer—Present salary, \$800 per year; proposed salary, \$900 per year.

While the salaries of the other city officials remain the same, they are mentioned in the new ordinance and are as follows:

Mayor, \$1,000 per annum; city clerk, \$1,200 per annum; city treasurer, \$1,000 per annum; deputy city treasurer, \$800 per annum; city engineer, \$1,200 per annum; deputy city attorney, \$800 per annum; street commissioner, \$800 per annum; health officer, \$500 per year.

Each commissioner and each member of the city council has a salary of \$50 per month. The chief of the fire department receives \$100 per month; all engineers, \$70 per month.

NO ROOM FOR INSANE PATIENTS. Norfolk Asylum Refuses Admission to a Demented Norwegian.

AINS WORTH, Neb., Jan. 9.—(Special Telegram.)—A demented Norwegian, probably 60 years of age, was found wandering among the sandhills a few miles south of town.

Railway Improvements at Alliance. ALLIANCE, Neb., Jan. 9.—(Special.)—The assistant general superintendent and chief engineer of the Burlington system have just selected ground for the construction of new shops, boilerhouse and blacksmith shops.

Picking Up a Murdered Man's Bones. KEARNEY, Neb., Jan. 9.—(Special Telegram.)—Coroner Bennett had a number of men out at C. M. Nelson's farm today hunting for the remains of a man who was found dead in a hole in the ground.

Rev. Dr. Cooke Goes to Red Oak. RED OAK, Neb., Jan. 9.—(Special.)—Rev. Silas Cooke, D. D., having accepted a call to the pastorate of the First Presbyterian church of Red Oak, Ia., delivered his farewell sermon to his congregation Sunday.

Lutheran Church Dedicated. ASHLAND, Neb., Jan. 9.—(Special.)—The dedicatory services of the new German Lutheran church in Green precinct, west of Ashland, were held Sunday and were attended by a large crowd.

Johnson County Farmers' Institute. JOHNSON COUNTY, Jan. 9.—(Special.)—The annual meeting of the Johnson County Farmers' Institute and Horticultural society will be held in this city Thursday, Friday and Saturday.

Preacher Thrown from a Baggy. HITCHCOCK, Neb., Jan. 9.—(Special.)—Rev. E. M. Evans, pastor of the Methodist Episcopal church in this city, was thrown from his baggy and severely injured Saturday evening.

For Burned by Gasoline. STELLA, Neb., Jan. 9.—(Special.)—Ben Timmerman, a boy 12 years of age, was carrying a gallon bottle of gasoline and dropped it on a brick sidewalk.

ADDS MUCH NEW EQUIPMENT

Union Pacific Appropriation of \$1,714,300 for New Cars in 1898-99.

LARGE INCREASE IN CARS AND ENGINES

Supplemental Annual Report Shows Total Car Equipment to be 17,172, with 549 Locomotives and Increase in Freight Capacity.

The annual report of the Union Pacific railroad company for the year ended June 30, 1899, shows the addition of much new equipment in the past year.

In that time 5,845 new cars were added and within a short time after June 30 this number was increased by 1,111 additional cars, purchase of which had been provided for during the fiscal year covered by the report.

This new equipment included 3,600 box cars, 1,500 stock cars, 628 Rodgers ballast cars, 15 coaches, 15 chair cars, 1,000 coal cars and one new diner.

The total car equipment on hand was 16,641, an increase of 4,652 since February 1, 1898. Of this total number 22 cars are included in passenger equipment and 15,658 freight equipment.

The locomotive equipment June 30, 1899, included twenty-two more engines than February 1, 1898. The new locomotives added were one 3-wheeler, 19,243-horsepower, and four 4-wheelers, 19,243-horsepower, eight 12-wheelers, 21,330-horsepower, eight consolidation, 26,242-horsepower, two compound, 23,342-horsepower.

The total car equipment on hand was 16,641, an increase of 4,652 since February 1, 1898. Of this total number 22 cars are included in passenger equipment and 15,658 freight equipment.

Commenting upon the showing of car equipment the report states that after allowing for cars destroyed during the period, the cars added from February 1, 1898, to June 30, 1899, increased the total capacity of the freight car equipment nearly 74 per cent.

With the addition of the 1,111 cars which were received subsequently to June 30, 1899, and having been put into service, there has been a total increase of 82.3 per cent in the carrying capacity of all revenue freight cars, since February 1, 1898, leaving out of account the cars of that class which have been withdrawn from service since June 30, 1899.

PULITZER'S HOME DESTROYED

Publisher New York World Suffers Loss by Fire—Two Women Servants Killed.

NEW YORK, Jan. 9.—The handsome residence of Joseph Pulitzer, publisher of the New York World, at 10 and 12 East Fifty-fifth street, was destroyed by fire today and two women servants were suffocated or burned to death.

The origin of the fire is variously ascribed to electric wires, the steam heater and an open fire. It started about 7:30 a. m., while Mrs. Pulitzer, her daughters Constance and Lulu, 12 and 14 years of age, and Herbert, a boy of 3 years, and the housekeeper and governess were asleep.

The servants in the house and the passers-by discovered the fire about the same time. There was not much smoke, but the flames spread rapidly and were soon beyond control.

Mrs. Pulitzer got her children together and with the aid of their nurse got them safely to the street and then to an adjoining dwelling. Several of the servants had narrow escapes, one of them making his way out of the building by way of the roof.

He said that he saw Mrs. Jellett on the roof and that she was holding a child in her arms. Christmas presents, when the firemen at the top of the house kept it from spreading to the floor above.

More Than One-Half of Mileage in Union Pacific System. NEW YORK, Jan. 9.—Seventy-five railway executive officials, representing over fifty railroad lines, mostly in the west and southwest, met in this city to consider tariff matters.

Mass Meeting of Passenger Men. CHICAGO, Jan. 9.—The baggage men of the Chicago and North Western, Great Northern, Northern Pacific, St. Paul and Union Pacific, and other lines, met in the Auditorium hotel in this city on next Thursday for the purpose of bringing about an agreement to stop the payment of commission on tickets.

Hill to Start Steel Plant. ST. PAUL, Minn., Jan. 9.—It is reported that James J. Hill, president of the Great Northern railroad, is about to add a mammoth steel plant to his other properties.

Street Car Burns. CHICAGO, Jan. 9.—The car of the South Chicago city railway at Hammond, Ind., were destroyed by fire early today. Thirty-two cars were burned. The loss, fully covered by insurance, is placed at \$150,000.

Railway Notes and Personal. C. Sanderson, soliciting agent for the Illinois and Ohio, is in the city from Kansas City.

Miss Florence Newman, who has been a great sufferer from muscular rheumatism since Chamberlain's Pain Relief, Miss Newman is a much respected resident of the village of Gray, Mo., looking after business affairs.

MISSOURI OLEO LAW VALID

Within Power of State to Exclude Imitation Articles Manufactured in Another State.

ST. LOUIS, Jan. 9.—Judge Adams in the circuit court here, in deciding the case of the United States against the Missouri state law prohibiting the sale of oleomargarine colored as butter.

Miller Commercial Club Officers. SIOUX FALLS, S. D., Jan. 9.—(Special.)—The Commercial club of Miller has elected the following officers for the year: President, S. V. Christ; vice president, Peter Gross; secretary, Fred Sweetland; treasurer, N. Johnson; directors, J. H. Baldwin, L. D. Sweetland and John Pusey.

MUCH GOLD IN SMALL AREA

Figures Showing Enormous Output of World's Standard Money Metal in Black Hills.

DEARWOOD, S. D., Jan. 9.—(Special.)—Black Hills people are awakening to the fact that the output of gold from this district is remarkable when the extent of country that produces the gold is taken into consideration.

The area of Lawrence county, which is the principal county in the Black Hills in the production of gold, is about 720 square miles. Not all of this area is mineralized in any means, but there is apparently a tract of ground fifteen miles square in which mines can be made and ore mined in a profitable manner.

The average depth of the mines that have produced is about 200 feet. Figuring the output of \$8,000,000 as coming from the entire mineralized area, which is fifteen miles square, it even then gives the large sum of \$53,555 to the square mile, Colorado mining claims claiming \$83,333 per square mile for the district in Gilpin and Clear Creek counties, between Central City and Idaho Springs, Lawrence county in the Black Hills can rightfully set up a claim of over \$1,000,000 per square mile of surface in the six miles of developed ground.

The difference between the Transvaal is about \$11,000. The difference between the rich Colorado district and the mining districts of Lawrence county is that there are today more than ten times as many mines in steady operation in the Colorado section as in Lawrence county.

BEARING DOWN ON THE VETERANS

Commandant Linn of the Soldiers' Home Becoming a Martinet.

HOT SPRINGS, S. D., Jan. 9.—(Special.)—Nineteen of the veterans of the Soldiers' Home here, who are being discharged, and given ten days on the "picket rope," as they express it, because they were not in "taps" at 9:30 Saturday night.

Black Hills Pioneer Killed. LEAD, S. D., Jan. 9.—(Special Telegram.)—A man named McQuinn, an old resident of the Black Hills, living on a ranch near Spearhead, was killed tonight by the overturning of a load of hay in this city. He was 70 years old.

Delegate to Fort Worth. PIERRE, S. D., Jan. 9.—(Special Telegram.)—Governor Lee today appointed James N. Douglas, state delegate, to the meeting of the National Stock Growers' convention at Fort Worth, Tex.

South Dakota News Notes. A letter is to have the state shooting tournament this year. The date has not yet been fixed.

The Catholicos of Melitete has purchased the necessary ground and will erect a fine new church building.

The new creamery at Parker has commenced operations. W. E. Heeren is president. The creamery is fitted with modern machinery.

The ownership and management of the Flaxseed roller mills have changed. Mr. Bacon returning to S. E. W. W. C. is the new firm name.

Among the South Dakota towns which intend to improve their water supply are Revillo, Grant county, Ia., at a meeting of

PERNA CURES HEAD, THROAT, BRONCHIA, LUNGS, STOMACH, KIDNEYS & BLADDER, PELVIC ORGANS. Governor of Oregon, W. M. Lord, says: "I use your Peruna medicine in my family for colds and it has proved to be an excellent remedy."

The citizens a vote disclosed that they were unanimously in favor of incorporating the new building.

Chancellor is enjoying a building boom, notwithstanding it is the middle of the winter. Among the new buildings are a new elevator, hotel and machine warehouse.

Many physicians who had been skeptical now admit that the curative power of Dr. Bennett's Electric Belt is nothing short of miraculous.

After many years of indefatigable study and research, I have discovered a new and powerful method of curing the cause and effect of the soft, chamois-covered, rubber, non-conducting water cells that keep the spines of the human body in contact with each other.

I GUARANTEE to cure all cases which result in a lack of VITALITY or NERVE FORCE. I have a record of 3,000 cases in this state alone, there is no need for me to experiment by my method, but my ABSOLUTELY GUARANTEED CURE is a positive cure for SEMINAL DEPLETION, LUMBAGO, RHEUMATISM, SHRINKING AND ENLARGED PROSTATE, GONORRHOEA, VARICOCELE AND GENERAL DEBILITY. RESTORES SHRINKING AND ENLARGED PROSTATE, GONORRHOEA, RHEUMATISM IN ANY FORM, KIDNEY, LIVER AND BLADDER TROUBLES, CONSTIPATION, DYSPEPSIA, ALL FEMALE COMPLAINTS, ETC.

Mr. A. McSweeney, 1605 Corbett St., Omaha, Neb., writes to Dr. Bennett: "Some few weeks ago I purchased one of your Belts, and after wearing same for ten weeks I find that my varicose vein of three years' standing has been entirely cured, and will say that I am a much stronger man in every respect than I was before I commenced to use Dr. Bennett's Electrical Belt. To all who are skeptical in regard to the merits of your Belt I will cheerfully recommend it as to what it claims to cure."

Call upon or write me today. I will send you FREE for the asking, my new ILLUSTRATED book, testimonials, etc. If you are suffering you should not delay; act at once, and you will soon be one of the countless army of MADE NEW-men and women who proclaim the merits of my Belt. Address—

DR. BENNETT Electric Company, Rooms 15 to 20, Douglas Block, Opp. Hazden's, Corner 16th and Dodge Sts., OMAHA, NEB. OFFICE HOURS—From 9:30 a. m. to 8:30 p. m. Sundays—From 10:30 a. m. to 1 p. m.

MISSOURI AND MISSOURIANS. The police of Hannibal made 600 arrests last year.

Scandia business men have organized a committee to improve it. George Johnson, a Hannibal negro, is said to be a millionaire.

The Burlington old roundhouse at Palmyra is being torn down. A lot of Blytheville people who went to Texas a year ago are now anxious to get back.

Higginsville people are dissatisfied with their electric light service and have asked the board to improve it.

Hannibal collected \$12,000 in city taxes last month, the largest receipts in a single month in the history of the town.

The Board of Health of Marysville are using in the newspapers, to discuss the advisability of straightening the Missouri River, and are holding regular rates it would be sufficient to pay for the work.
