

READJUSTMENT OF SALARIES

County Commissioners Overhaul Pay Roll at the Court House.

ONLY A FEW MATERIAL CHANGES ARE MADE

Big Slice is Taken Off of the Pay of the Chief Deputy in the Office of the District Clerk.

The county commissioners have completed their overhaul of the county pay roll and a report was made at a meeting held yesterday morning.

Salaries of jailers were raised from \$60 to \$75 per month. In a few instances, reductions of force were ordered, and at the end of the report is a paragraph which says that the commissioners expect that the orders be obeyed immediately and without any equivoating.

Some of the changes aside from the cutting of the district clerk's salary, are as follows: One man at \$90 per month is dispensed with in the surveyor's office; two men in the tax office at \$75 per month, and one in the register's office, are dispensed with by the piece.

The court house force and salaries under the readjusted scale, now stand as follows: District Court Clerk—One chief deputy, \$150; one deputy clerk, \$100; one file clerk, \$60; one jury clerk, \$50; one court clerk, \$31.25; one cost clerk, \$100; one chief clerk, \$100; one index clerk, \$65; one chief stenographer, \$50; one stenographer, \$45; and eight stenographers at \$40 each.

County Court—One clerk, \$100; one bookkeeper, \$75; one clerk, \$75; one probate clerk, \$50; one recorder, \$50. County Surveyor—One deputy, \$50; one chief clerk, \$90; one stenographer, \$50; and two clerks in the tax office, one at \$90 and the other at \$75 per month.

Auditor—One deputy, \$112.50; two clerks, one at \$33.33 1/3, and the other at \$60. Treasurer—One deputy, \$150; one chief clerk, \$112.50; one bookkeeper, \$100; three clerks at \$90 each.

Ferrier—One chief deputy, \$100; one bookkeeper, \$85; four deputies, \$75 each, and at the jail, one chief jailer, \$80; one assistant, \$75; one night jailer and assistant, \$75 each and one matron at \$50.

Register of Deeds—One deputy, \$100; one clerk, \$85; three recorders at \$60 each, and one recorder, who is to be paid by the piece.

County Surveyor—One deputy at \$4 per day for time actually employed and two road men at \$2 per day each.

County Commissioners—One bookkeeper and one clerk, \$90 each.

The salaries mentioned are by the month, except where noted otherwise. The commissioners devoted considerable time to strictly routine matters. Bids were opened for county local advertising. The Bee and World-Herald are the bidders. The bids were referred to the finance committee.

Board Members Under Fire Promise to Expose Hypocrisy of Some Now Posing as Reformers.

While the members of the Board of Education under arrest for bribery refuse to make any statement under advice of their counsel they intimate that before the revelations have concluded some of their associates now occupying a pedestal as public reformers must take their places in the mire along with themselves.

The point at which the retaliatory blow is proposed to be directed is the purchase of sites for the Pacific and Case schools in the spring and summer of 1898 before the majority of last year was in power.

The cost of the former site was \$12,500 and of the latter \$15,000. A. P. Turley, agent for the sale, admitted on the stand that the price was in his opinion excessive, but said that the owners had taken advantage of the board's anxiety to acquire the sites.

One member under arrest remarked yesterday that the investigating committee would find the purchase of the Pacific site a fruitful theme. "This is the property," he said, "upon which Mr. Turley admits having made a profit of \$3,000 in times when real estate margins were exceptionally close.

The deal was engineered through at a special session called at 11 o'clock on Saturday night in June, 1898, and instead of allowing the matter to rest over two weeks in accordance with the rules the warrant for \$5,000 was delivered that night and an order for the balance issued.

The member refused to go further, but insisted the time would come when he also would take a hand in official purification.
