Placed in Jeopardy for Flooting Constable Hardin Moss at Loveland. Evidence in and case in jury's hands. Joe Morgan and Constable Moss go on the stand and tell their stories of the shooting scene.

The trial of J. A. Gregory for shooting and dangerously wounding Constable Hardin Moss at Loveland last October occupied the attention of the district court all day Wednesday. The evidence was all in by the latter part of the afternoon and at 6 o'clock the case was given to the jury.

The jury having been impaneled before the adjournment of court Tuesday evening, the introduction of evidence for the trial was commenced as soon as Judge Thornell took his seat on the bench. The first witness placed on the stand was Joe Morgan, who acted as Gregory's driver during the latter's ride across the country, after shooting Moss.

Joe Morgan's testimony. Morgan testified as accompanying Moss to the tent where Gregory was shooting at the shooting range on the farm. He was with Gregory when he was shot and he saw Gregory get into the car and drive away.

Moss' graphic story. Moss described in a graphic manner the story of his arrest of Gregory in the tent at Loveland. He said that after firing Gregory in the tent he told him to consider himself under arrest.

Other Testimony. J. J. Wickham, who heard the shot fired and saw Gregory jump into Moss' wagon, was the last witness for the state. He testified as to weighing a mule for Gregory the night before he was arrested.

The Board of Control appointed to succeed ex-Governor Larrabee continues to be the absorbing topic of discussion about the legislative halls. The governor has been adhering strictly to the policy announced by him when Colonel Rood was rejected by the senate.

FIXES THE VALUE OF THE PAVING.

The city council met yesterday morning as a committee of the whole and after discussing the paved streets named by the Omaha, Council Bluffs & Suburban Railway company in its request filed Monday night fixed the amount which the company will have to pay for the paving should it lay its tracks on these streets and avenues.

There was considerable diversity of opinion among the aldermen before an agreement could be reached as to the sum that the motor company should be called upon to pay. Most of the streets named by the company are paved with cedar blocks, which are now in a state of absolute decay.

The committee agreed that the street car company should pay 15 cents per square yard for the cedar block paving on all streets named improved with that material. The cedar block paving was laid in 1888, or at least the greater part of it was, and cost the property owners \$1.56 per yard.

With a view to the general modification of the present building and loan statutes Senator Grant introduced a resolution in the senate this morning to request the attorney general, within the next ten days, to transmit to the senate his opinion upon several important questions bearing upon the present building and loan laws in Iowa.

HOW IT SPREADS. People Are Talking All Over Omaha. This Report Comes From North 24th Street.

How it spreads. Can't keep a good thing down. Ever notice how good things are imitated? Better the article, more imitations. Fortunately the people have a safeguard. Praise can't be imitated. And true praise takes root and spreads. Claim is one thing, proof another. Proof is what the manufacturers say. Omaha people say: Doan's Kidney Pills cure sick kidneys. Cures all kidney ills. Hundreds of citizens testify to this. Here is a case in point: Mrs. H. D. Dostendorf of 511 N. 24th st., says—"Rheumatism in the shoulders, so that I could not raise my head, swelling of the feet and ankles so pronounced that I could not wear light and airy shoes, so that could not lace my shoes—all of these symptoms pointed directly to disordered kidneys. While visiting in my old home, Wilkes-Barre, Pa., my father advised me to use Doan's Kidney Pills and stated that they were a remedy extensively recommended in that section. I bought a box and I got a box, afterwards procuring two more at Kuhn's Co's drug store, cor. 15th and Douglas sts. The swelling disappeared, the rheumatism left my shoulders and I stopped the treatment for there was no use of a continuation."

Doan's Kidney Pills are sold for 50 cents per box by all dealers or sent on receipt of price. Foster-Milburn Co., sole agents for the United States, Buffalo, N. Y. Remember the name, Doan's, and take no substitute.
