COUNTY DEMOCRACY IS STILL PUGNACIOUS

Various Factions Hold Caucuses in Anticipation of the Detailed Work of Their Impending Convention.

Sixteenth and Locust streets was taxed to Both factions of the democracy mustered its successful delegations last evening and decided upon a course of action in today's

county convention. The Jacksonian delegations met in the rooms of the Jacksonian club with nearly or quite forty in attendance. The meeting was behind closed doors. After it was over it was announced that it had been decided to present to the convention today the name of Harry E. O'Neill of the Fifth ward for chairman and G. S. Gilbert of the Fourth ward for chairman, C. L. West of the Ninth ward for secretary and P. C. Heafey of the Fourth ward for treasurer of the city central committee. A committee was also appointed on resolutions, of which Dr. Hipple and John D. Ware are members. It was stated by some of those who were prominent in the caucus that there was no discussion of candidates for city offices. Down at the headquarters of the County Democracy it was reported that the Jacksonian caucus had broken up in a row over the mention of Burkley for the mayoralty, but this report was denied by W. H.
