Hard Fighting Near Colesberg. LONDON, Feb. 14.—A dispatch to the now have no camp west of Rensburg. They safely brought off the guns from Coleskop. Daily Mail from Rensburg, dated yesterday,

"There has been hard fighting for two days near Colesberg, the Boers making strenuous efforts to outflank the British left. The enemy occupies strong positions from Achtertang, through Potfontein to a point five miles south of Jisfontein. The fighting at the outpost camps has been very severe. Yesterday the Boers attacked the position of the Worcesters to the southeast "There has been hard fighting for two position of the Worcesters to the southeast of Colesberg. Fighting continued all day and after dark it was considered necessary mandant Delarey his eyes were unbandaged. to withdraw to Rensburg. Our losses are Delarey was most courteous to the corre-

On the left the West Australians, Wiltshires and Berkshires had no fighting and pressed his sympathy with Mr. Lambie's held their positions. The Boer losses were considerable Owing to the growing difficulty experi-

enced by convoys in reaching the camps, all Mr. Reay. The escort informed Mr. Reay of the latter were vacated last night and the troops withdrew to Rensburg. The Boers are burning the farms of the definitely. eyalists, but the latter have contrived to

Buller's dispatch revising the casualties to

get away with their stock. All Look to "Bobs." LONDON, Feb. 13.—The fact that General

the British troops at Potgieter's Drift is dated from Chieveley is taken in some "arters as an indication that General Bulhas removed his headquarters to that place. There is nothing to indicate whether or not he left any large force at Springfield Cossation of war news from South Africa is taken to indicate that the British preparations for a move from Modder river are about completed and that important events can be anticipated within a few days. Interest centers almost wholly upon Field Marshal Roberts, especially since General Buller's report of his withdrawal from Vaalkrantz came for the first time through Lord Roberts, showing that all the different operations over the wide field will hereafter be more completely co-ordinated.

It is now known that the military attaches have gone to join Lord Roberts at the Modder river, another move preceding an

A dispatch from Modder river announces the arrival there of 1,400 refugees from the Barkley West district. They had been ordered away by the Boers because they refused to join the republicans. The refugees reached the Modder river via Koodoesberg. It is learned that 200 Boers big gun causing many casualties, mostly na-Donald's reconnaissance.

There is no confirmation of the reported sortie of British troops from Ladysmith, nor

of the Boer outflanking movement. A report comes from Durban that the British artillery forced the Boers to evacuate their camp on Hlangwana hill, south of Colenso. It would be an important advantage if the British were able to occupy

The absence of General French from the Rensberg district seems to have given the Boers an opportunity for renewed activity. They have apparently commenced an extended attack on the British lines and are meeting with minor successes which are
