tion Buttermakers Coming in Force. Lincoln hotel men have received so many orders for accommodation during the week

of the National Creamery, Buttermakers' convention that they are looking forward to the largest crowd that has ever visited the city. The local committee of the Buttermakers' association has been assured that fully 4,000 creamery men will attend the convention and in addition there will be several other meetings of state and national importance. The populist national committee begins a meeting simultaneous with the creamery men and the State Acetylene Gas association meets during the same week. It is estimated that the hotels can accommodate not over two-thirds of the visitors and the balance will have to find quarters in private residences.

The executive committee of the State Christian Endeavor society has arranged for holding the annual meeting of that erganization in this city October 4 to 7. In clusive. The convention will be held in the new auditorum and overflow meetings may possibly be held in the churches.

A. L. Shader, an O street druggist, was Otto Jahn, living near Elmwood, was one sent to jail by County Judge Waters for of his victims. His note was sold to R. contempt of court. Shader was on trial for selling liquor without a license. He entered J. L.
