ROBINSON TAKES NEW POSITION

Appointed as Member of Iowa State SIOUX CITY, Feb. 28 - (Special Telegram.)-Judge G. S. Robinson this morning received his commission as a member of the lowa State Board of Control, which now makes him an active and full-fledged mem ber of this body. Judge Robinson to morrow morning will leave for Des Moines and he expects to at once take up his duties nominees of the party. This recommendation and subject to the ratification of the republicans of Council Binffs in convention assembled. Through it no "attempt at nomination" in advance of the republican convention is meant, nor is there any desire to dictate to the republicans of this city.

It is hoped that the labors of the committee will redound to the benefit of the party and the advantage of the city. It is their wish that their action may result in unitying the party and in the nomination of a way his appointment has been received. So far he has had very little information

way his appointment has been received throughout the state.

Green May Leave lows.

CEDAR RAPIDS, Ia., Feb. 28 .- (Special.)-Rev. Dr. Green, rector of Grace church and prominent candidate for bishop of the Episcopal diocese of Iowa two years ago, has just returned home from Denver, where he made a number of addresses during the last ten days. While there members of the Central Presbyterian church, the largest and wealthiest in the city, which is at present without a pastor, suggested that Dr. Green be called to the pastorate. The suggestion met with instant favor and the call may be extended. It is believed that if the call ame in the regular way Dr. Green might be persuaded to return to his first love, the Presbyterian church, and accept the call.

Favors Municipal Ownership. DUBUQUE, Ia., Feb. 28.-At a special election today, by a vote of 3,132 for to 459 against, it was decided to accept the water company's proposition to sell its plant to city for \$545,000. For the first time in the history of the city women voted today. They east 275 votes for the proposition to 33 against it.

A Trial Treatment Sent Free to All Who Suffer From any Stage of the Disease.

Cures Cases That Hot Springs and all Other Treatments Failed to Even Help.

There has been discovered by the State Medicul Institute, 189 Flektron Bidg., Ft. Wayne, Ind., the most remarkable Syphilis cure ever heard of. It has cured all such Indications as mucous patches in the mouth, sore throat, copper colored spots, chancres, ulcerations on the body and in hundreds of cases where the hair and eyebrows had appeared to be tramps. The saloon is situated in a locality not much traveled that
hour of night.

Later the two men appeared at the Cotphysicial health. Every railroad running into Ft. Wayne brings scores of sufferers seeking this new and marvelous cure and to enable those who cannot travel to realize what a truly marvelous work the institute is accomplishing they will send free to every sufferer a free trial treatment no that everyone can cure themselves in the privacy of their own home. This is the cally known cure for syphils. Do not hestate to write at one and the free trial will be sent scaled in plain package.

The lower body, without riding. a dissenting voice, adopted early in its session the Head resolution offered Monday to have the members of the executive coun cil investigated in regard to their individual business connections with building and loan and insurance organizations of the state. The resolution orders an investigation on the relations of the executive council to building and loan associations and insurance companies. It was introduced Monday afternoon and the general prophecy was it would never be called up, or at any rate would not pass the house. Before the vote was taken Byers of Shelby presented to the house a letter from State Treasurer Herriott, asking him to favor the passage of the resolution and requesting Mr. Byers to state on the floor that the writer did not fear an investigation of his official acts.

Investigation Completed. SIOUX CITY, Feb. 28.—(Special Tele-

gram.)-Special Agent J. E. Jenkins of the Indian department has completed his investigation of the condition existing at the Winnebago reservation in Nebraska, following the charges which have been preferred against Agent C. P. Mathewson and Trader C. J. O'Connor. While the report of the special agent will not be made public until t reaches the headquarters in Washington ! it is hinted it is favorable to the agent commore City.

HAS NO EQUAL

and the post trader. Mathewson lays all the blame at the door of Congressman John Robinson. The agent declares it is nothng more than an attempt on the part of the congressman to stir up favor for himself among the Indians before the election this fall. There are 600 Indian votes on the reservation and Mathewson declares the charges have been trumped up so as to make like a great benefactor among the authorities in Washington. The charges that Mathewson has permitted the cutting of ordwood by white men on the reservation and its shipment to Iowa and that Trader O'Connor has not dealt fairly with the In

ATTEMPT TO ADJUST SCALE

Miners and Operators Meet in Joint Session and Hear Each Other's Opinions on Wages.

dians have created quite a sensation at the

DES MOINES, Feb. 28 - (Special Tele gram.)-Both the miners and the operators were compelled to show their hands this morning at the session of the joint confer ence and the secrets which both sides have been guarding carefully for days were exposed to view. The time had arrived for the discussion of

the scale question, the most vital question which has been before the operators and miners during all their meetings of the last few months and especially since the holding of the national conventions at Ir dianapolts. The scales prepared by the scale com

mittees of both the miners and the oper Debate on the many times postponed ators were read in open session and then re-Clarke bill for the abolishment of the offices ferred to a scale committee composed of was opened by special order in the house eleven members from the operators and this morning, and an hour and a half was eleven members from the miners, with consumed by the author of the bill, and by eleven alternates from each organization the leader of the opposition, Temple of for consideration, after which the Joint Clark. Clarke made what is declared to be conference adjourned subject to the call of CREAM, OR MAGICAL BEAUTIFIER, the most eloquent speech that has been the chairman, which will not be made until \$ -

resuming his seat at the expiration of an As expected the scales were as far apart a meeting of republicans held in the city half February 20, 1900, a series of resolutions were passed declaring in favor of the nomination by the republican party, as candidates for the various municipal offices. March term of federal court.

The miners received the reading of the operators's scale with laughter and open expressions of contempt, while there was frigid expression on the countenances of the operators as the miners's scale was being read.

To sum it all up, the miners demand an increase of 25 per cent in the scale and the operators say they are willing to gran a 5 per cent advance. The discussion of the southern district matter came up again this morning and, no agreement being reached, the mines in the first, or Centerville, district will suspend operations during the month of March.

The salcon consent petition was filed to There are 4.746 names on the petition and 4,324 is a majority of the voters, the number necessary to secure the opening of caloons. The anti-galoon element will fight the acceptance of the petition. In the meantime the seventy saloons in Des Moines
