UNITED STATES ACTS AS INTERMEDIARY

One of Kruger's Appeals Will Be Tracsmitted by McKinley.

ADELBERT HAY AS AN INSTRUMENT

Consul at Pretoria.

PAUNCEFOTE CONFERS WITH HAY

Kruger Said to Have Voiced an Appeal to Various Powers and Germany Fintly Declines to interfere.

LONDON, March 12.—(New York World President of South African Repub-Cablegram - Special Telegram.) - Ballour's promise to lay all papers on the table of the proposals is taken in parliamentary circles by the refusal of England to entertain the terms suggested. Beyond all question the dominant sentiment in this country is Germany and Switzerland. against accepting overtures unless the Boers

unconditionally surrender. Tonight I asked Sir Charles Dilke whether Lord Salisbury through Washington. "Very likely," said he, "but I have not heard it; however, it is no use.

"Do you think mediation by the United States would be accepted?" "No, it would not. There would be no use

proposing it." own views of certain consequences to Brit- in the conflict. ish rule in South Africa from the present him and does not think it of any avail to run counter to it.

The determination to overthrow the Boer republics is gaining strength with every fresh success reported from Roberts. The large bulk of the liberal radicals are privately for peace, but not ten out of 160 ment of the debate in the House of Comwould dare say so publicly. The govern- mons today on the army estimate the parliament in fact is suspected of being behind mentary secretary for the War office, Mr. public sentiment in exacting punishment Wyndham, declared that recent events did from the Boers, and it dare not entertain not jurtify, at the present time, any diminupeace proposals except on the basis of the tion in the provision for the further con- bed linen and clothing for the military sick Boers' complete submission. On that ac- duct of the campaign in South Africa. count it is expected that the war will prodeadly.

McKinley Consents to Act. NEW YORK, March 12.- (Special Tele-

that the president has consented to act in the interests of peace and will instruct Secretary Hay to transmit the Boer republics' letters gathered from of commendatory ment persons throughout the country. WASHINGTON, March 12.-There is reason to believe that the United States government is using its good offices to restore peace between Great Britain and the South African republics. This has not taken the shape of a proffer of mediation. That would be distinctly repugnant to Great Britain, and, according to the rule of international law which has without exception governed

the State department in the past, could not be volunteered by us until it was known to be acceptable to both parties to the war. But the United States might very properly serve as an intermediary to transmit an appeal for peace and the terms upon which peace can be secured. The United States has successfully served in this capacity in the past, notably in the termination of the China-Japanese war, and it is believed its good offices in this line are now being ex-

If this belief is w 'I founded, then Adelbert Hay, United States consul to Pretoria, has been the instrument for transmitting to the British government, through the double intervention of the State department and Ambassador Choate, an application from Presidents Kruger and Steyn to be informed as to the terms upon which the war can be ended. The facts in the case will be fully developed in a day or two.

Pauneefote Confers with Hay. partment late in the afternoon and spent come from Pretoria yesterday he gave no sign of the fact. The officials of the depariment also maintained a reserve respecting this subject that was impenetrable, and all that could be obtained from them was an Conclude that America's Position Toinjunction to await the developments of the

Asks that Funds Be Appropriated for Experiment in Supplies-Thurston's Indian Measure is Made a Law.

WASHINGTON, March 12 .- (Special Telegram.) - Senator Foraker is determined that ing urged to move the executive offices to Porto Rico shall have a form of civil government. His bill now pending before the senate provides for this, and he does not propose to back down on the proposition. When the house bill providing for tariff dustate house this morning. In anticipation of ties between this country and Porto Rico reached the senate Forager incorporated tariff features, but left those for civil government as agreed on by the senate committee on Porto Rico, and reported it to the senate. In its strivings for harmony the republican steering committee was willing abandon duties on articles going from this country to Porto Rico, but desired to levy duty on articles coming to this country Captain Davis, returned to Frankfort this from that island at 15 per cent of the Ding-

Adjutant General Barry of Nebraska is in the city to meet adjutant generals of other states with a view of talking over the militia situation and if possible to arrive at some conclusion looking to legislation for rehabilitation of the national guard.

APPEAL FROM PORTO RICANS

Free Trade Asked for in a Petition from Planters, Merchants and Business Men.

SAN JUAN, P. R., March 12 .- The planters, merchants and other business men of Porto Rico mailed to the president yesterment We, the undersigned, beg to submit to

We, the undersigned, beg to submit to your earnest consideration the following views as to the financial policy of Porto Rico. We note with regret the principle enunciated by certain speakers in the lower house of congress that a tariff between Porto Rico and the United States if the proper method of raising revenues for this island. To this we are unchangably opposed, for the following reasons:

First-Because taxation on our exports means an embargo on our foreign com-

Even with free trade with the United Even with free trade with the United States there would be an additional revenue of at least \$20,000 annually from customs duties on goods coming here from foreign countries. If congress will authorize Porto Rico to issue \$2,00,000 of forty-year 5 per cent bonds the above will provide for them. viz.: For interest, \$100,000, and for sinking fund, \$50,000, total, \$150,000.

Therefore, we infer that it will be un-
