GUY BOOTHBY WRITES ANOTHER NOVEL

First Volume of the Kipling Note Book Complete—Many Other New Books of History, Poetry and Fiction.

Admiration of the talented Bronte sisters will be pleased to know that the fourth volume of the Haworth edition of the "Life and Works of the Sisters Bronte" is at hand. It contains "The Professor," by Charlotte Bronte, and poems by Charlotte, Emily and Anne Bronte, and the Rev. Patrick Bronte.

"The Professor" is a novel of the type of the "Jane Eyre" and "Villette," but it is a more modern and more realistic work than either of these. It is a story of a young man who goes to a school and then to a university, and then to a profession.

BANK TRIUMPHS OVER STATE

Attorney General Defeated in His Action Against Omaha National.

MOTION OF DEFENDANT IS SUSTAINED

Judge Baker Holds that Action of the Supreme Court is Equivalent to Affirming His Decision—State Expects.

In the case of the state against the Omaha National bank and J. H. Millard, for the collection of \$200,000, Judge Baker has decided in favor of the bank. He said he had reached the case originally tried by him prior to appeal to the supreme court.

In making this decision Judge Baker explained that he could not conscientiously do otherwise in view of the action taken by the supreme court. He said he had preferred to respect the supreme tribunal, but that in this instance he had no supreme court opinion by which to be guided.

Judge Baker's ruling puts the case back where it was before it was taken to the supreme court. The return made by that body were peculiar, inasmuch as the opinion was divided between two of the three members of the bench and there was nothing said in the mandate about a new trial in the district court.

The Force of Habit.

It is a peculiar thing that the use of Coffee and Tea has not been replaced, more than is the case, by the use of Van Houten's Cocoa.

The reason for that is to be sought in the force of habit. But habits should be broken through, and Van Houten's Cocoa taken, now that it has been proven to be a much healthier and more delicious drink than Tea and Coffee, while at the same time so nourishing and easily digested.

For the Nerves, also, Van Houten's Cocoa is so much better; because, although it is equally refreshing, it has not the pernicious after-effects upon the nerves, such as follow after using Coffee or Tea.

It is not an expensive habit to use Van Houten's Cocoa; indeed, after actual trial of various brands, and even loose cocoa, many persons have discovered that Van Houten's Cocoa is not only the best and most delicious, but is also the most economical.

THE FEAR OF HUMBLED

Prevents Many People From Trying a Stomach-Relieving Medicine.

Stomach troubles are so common and in most cases so obstinate to cure that people are apt to loathe with suspicion on any remedy claiming to be a radical, permanent cure for dyspepsia and indigestion. Many such pride themselves on their astuteness in never being humbugged, especially in medicine.
