the ground, a large shipment of ties having arrived yesterday morning. Fifty-one cars of rails are already here and the ties are now being distributed as fast as possible along the line. The potes have been in posttion for several months. The installing of the plant in the power house at East Omaha is progressing steadily. The boilers have een set and are being bricked in and the foundations for the engines are in course of onstruction. Plans are being drawn for extensive improvements at Lake Manawa and Manager Reed says no expense will be spared to make the resort first-class in every way

COUNCIL APPORTIONS THE LEVY.

Each Department Dependent on Gen-eral Fund Receives Its Share. The city council held a special session is night and passed the appropriation ordinance for the fiscal year, commencing April I and ending March 31, 1961. The appropriaions for the various departments to be paid

from the general fund are as follows: Salaries of officers and cicrks.... Police and marshal's department

The estimated revenue of the city to the general fund for the fiscal year is \$67,600 from the 10-mill levy and licenses, fines and the mulct tax. This will leave \$2,800 for the contingent fund. Owing to the reduced vatuation of the city appropriations, except in the case of that for water rental, are smaller than last year. The water rental is partly provided for by a 5-mill levy, which is in sufficient under the present contract, and the deficiency has to be made up from th general fund.

The appropriations for the various de partments last year were as follows: salaries of officers and clerks .... ice and marshal's department ire department. Ire and police telegraph. ngineer's department

The appropriation for salaries of officers is decreased by \$900, nothing being allowed

The petition for the submission to the voters at the city election of the proposition to abolish the superior court was referred to a special committee consisting of Casper Metcalf and Shubert, Attorney I. N. Flickinger appeared on behalf of the persons who circulated the petition. Casper said he was suspicious of the petition and impugned the motives of the persons who had signed t. He thought the council ought to thorughly investigate the whole question and it was on his motion that it was referred to a committee. This committee is to report Thursday night, to which time an adjournment was taken.
