As soon as the proper explanations are made to them they recognize that time must clapse before a race, unacquainted with the simplest forms of government, will become able to manage public affairs absolutely without assistance

First Lesson on May 1.

"There is no doubt that the United States will keep falth with the Cubans, and the joint resolution will be carried out. But ust when it is impossible to state. The American officials would then have only advisory and supervisory duties.

"The city of Havana would then come to take the necessary steps to refund the or Wei-Hai-Wei. debt, to obtain a new loan and to carry out the works of sewerage and paving which are necessary and which should be commenced as soon as possible. Probably this work will commence in the early autumn." Referring to the reports of possible

trouble in the island, Secretary Root said: "These reports are the result of hysteria or are circulated by those who wish to see imes, abandoned. But, after so many hard There is a close analogy between these Cuban agitators who talk about taking

Alluding to conversations he had had tion. with many Cubans representing the various industries he said be thought he had seldom met with people more desirous of learning the methods of government and that he could see they recognized the difficulty of the task, since government, like painting, was an art.

He referred to the fact that presidential elections in the United States required several months of preparation in order that they should be carried to a successful conclusion and he pointed out that the diffiulties in Cuba were very much greater. What was desired, he said, was that the

with the machette. Evidences of Rehabilitation.

"I have been agreeably surprised," he ntinued, "in visiting various points in the province of Pinar del Rio, Matanzas and attorney's office. is in reality a case of hands across the Havana to find so many evidences of rehabilitation. Everywhere the men were apparently working; clean houses were in Referring to his interview with regard to evidence and there was a general air of approaching prosperity which I had not expected to detect. In the tobacco districts I found that common laborers were receiving more than \$4 a day in American money and this, although the work is only temporary, proves the falsity of the statements of general distress. The mayer of Guanajay told me he had in his employ more than 1,000 men.

"Another thing that I particularly noticed while traveling through the provinces was that everywhere the American troops were in good health. Their robust appearance and excellent coloring show, apparently, that the climate agrees with them." Passing on to the question of prison Root paid a high tribute to the work of

General Wood in this direction. "The growth of the school system is an other feature deserving of special notice. More than 150,000 pupils are now enrolled. that the women have been fighting in the I am heartily in accord with the idea of taking as many teachers as possible for summer stay of several weeks in the United requiring hotels to have a concert license if

oclation here telegraphed to the United HAVANA, March 15. - Secretary Root said of the empress downger toward the reformers will upset the "open door" policy. They also say rebellion and anarchy are expected advocate prompt concerted action on the part of the powers. The China association will appeal to the British minister, Sir Claude M. McDonald, on the same subject. WASHINGTON, March 15.- The cablegram om the American association has been recived at the State department. It has not set been acted upon, but is under serious onsideration. At first reading it is not clear just what connection exists between the attitude of the Chinese empress dowager towards the reform element in China and the

world is interested. It is recalled, however, that the empress lowager is persecuting with relentless hatred secretary of the navy to contract for armor Their conduct and amiability had the reform party, going so far as to resort to at a price not exceeding \$545 per ton. This I have had an interview with his lordship, greatly impressed him and he was satisfied the barbarous practice of offering a large applies to the emergency armor, about 7,400 sum of money for the assassination of lead- tons, required for the battleships Maine ing reformers.

This reform element in China is believed Nor should it be a cause for surprise if the to include nearly all of the Chinese who but not begun, nor to those contemplated first municipal elections should not bring are disposed to elevate China into a civilized by the present bill. nation, following in the footsteps of Japan. They realize that this can only be done with for the building of any of the new ships in the help of foreigners and are therefore government yards, as has been urged by publics for intervention of president, to an active interest in politics, are found disposed to the "open door" as one of the delegations from Brooklyn and elsewhere, measures to liberalize and enlighten China and it is expected that the usual provisions through the introduction of foreign capital as to building will be inserted in the bill, and foreign methods.

It is assumed that the basis of this representation from the American association ment yards for this purpose. is an apprehension that the conservative party surrounding the empress dowager in satisfying their animosity against the reformers, will excite the dormant anti-foreign feeling among the masses of Chinese to a degrees that will make the "open door" impossible of attainment.

It is a curious fact that our minister to China, Mr. Conger, has so far made no representations to the State department nunicipal elections, which will take place touching this subject. He has reported to in May 1, will prove the first lesson. The the department that serious atacks have been object is to give municipalities home rule snade upon the American missions in Shan self-supporting and making the elected of numerous anti-foreign league of Chinese. It the Board of Intelligence. ficials answerable to their own people only is this same organization which has attacked for the proper expenditure of funds. It is some of the French missionaries in that desirable as far as possible to decentralize quarter of China and have even carried their all municipalities from Havana control. DEWEY IS TO HEAD A NAVAL BOARD to Be Appointed to Meet Each

Month to Consider General Campaign Plans-Increasing Naval Efficiency.

WASHINGTON, March 15,-The house and final decision today as to the number to the detriment of foreign interests and of new war ships to be authorized by the forthcoming naval appropriation bill as follows:

Two seagoing coast line battleships of

about 13,500 tons each, to cost approximately \$3,600,000 each; three cruisers of the highest practical speed and most powerful armor and armament, to cost approximately \$4,000,000 each; three protected cruisers, to cost about \$1,141,000 each. It was determined not to provide any gunboats, in view of the opinion expressed by

Secretary Long and Admiral Dewey that open door" policy in which the United General Otis' recent purchase of serviceable boats of this character met present gunboat States with the remainder of the civilized requirements. The committee decided to authorize the

> Missouri and Ohie, now in course of construction, and not to the vessels authorized The committee did not provide specifically

The secretary of the navy has determined o appoint a general board to meet once a month and consider general plans of campaign to be used in case of war. The board will correspond somewhat to the strategic board which was in existence during the Spanish-American war and it is intended to meet the demands of the modern theories of preparedness for war. Admiral Dewey is to be at the head of the board, on which will probably be the chief of the bureau of navin the very broadest cense, making each Tung by the "Bexers," a powerful and igation, the heads of the War college and

REPORTS ON CABLE BILL

Different Ideas on Construction of Line to Hawaii and the Orient.

WASHINGTON, March 15 .- Four distinct reports on the bill for the construction of a Pacific cable to Hawaii, the Philippines and the house committee on interstate and foreign commerce.

Sherman of New York submitted the maority report favorable to a bill introduced by him for a cable to be built under private auspices, the government paying \$300,000 annually for twenty years for the transmission of government messages.

A minority report signed by Representatives Adamson, Adams. Shackleford and internal politics, with which our government Davey dissents in toto with the bill. Another minority report signed by Representatives Corliss, Fletcher and Stewart, opposes the plan of private ownership and

Still another dissenting report is from Mann of Illinois, giving his individual views that a government cable would prove more beneficial to the public and the government. Sherman's majority report is an exhaustive review of the cable question. It says that the argument for a government cable that being: would be under the complete control of the United States seems of small importance element was injected into the reform move- to the committee, except in time of war. protested against the presence of District thorized to assume control of the private cable which the committee recommend. As to the government cable being more economical to the United States, the report

sity of establishing a duplicate cable, AUCUS COMMITTEE NOT NAMED. Appropriations for Ports Rico First

Object of Republicans. WASHINGTON, March 15 .- When the enate adjourned today Senator Allison, chairman of the republican caucus, had not exercised the authority given him to appoint a special caucus committee in consection with the proposed legislation with he probably would make his selections to-

When appointed the committee will in clude representatives of the various shades of opinion on the questions arising out of the Porto Rico legislation and its work will be devoted to an attempt to harmonize the various opinions. On taking up the appropriation bill today the republican senators began the first proceeding on their program. With that feature disposed of they will address themselves to the question of securing a form of government island, and to the consideration of the tariff problem. They still look upon the latter question as the most complicated and difficult one for their disposal, and the proposed committee will be expected to devote iself with especial assiduity.

Senator Foraker, who will be chairman o what may be called the Porto Rico steering committee, says there is no purpose to abate and fitness to govern themselves. He States and I will personally do all I can to an orchestra were employed, the section the pressure for consideration of the govunder which the attempt was made to close ernmental bill and that he will keep it to the front while the special committee is at sailing from New York to Porto Rico.

Sleet and Snow in the East. WASHINGTON, March 15 .- About eight inches of snow fell here today and tonight there is a driving bail with prospects of intermittent hail, snow or sleet until some time tomorrow. Considerable of the carly snow melted as it fell. The record probably is unprecedented for this locality for this season of the year. Reports received at the weather bureau show that the storn has prevailed over a great extent of the territory east of the Mississippi river, beginning with a light fall in northern Louisiana. Quite a heavy fall of snow occurred in New York. The storm has reached the borders of New England and promises to exproposes a substitute embodying the idea tend through that region. Colder weather is following the storm.

Bank Applications Received. WASHINGTON, March 15 .- Applications for authority to organize a number of national banks have been approved by the comptroller of the currency, among them

First National bank of Cottage Grove Ore., capital, \$25,000; First National bank of Lawrenceville, Ill., capital, \$25,000; First National bank of Toledo, Ill., capital, \$40,000 Applications to convert state banks to national banking associations have been approved as follows:

The Weatherford State bank of Weatherford, Okl., to the First National bank of Weatherford, capital, \$25,000; the Citizens' bank of Humphrey, Neb., to the First National bank of Humphrey, capital, \$25,000.

To Open Colville Reservation.

WASHINGTON, March 15 .- A proclama tion opening the northern portion of the Colville Indian reservation in Washington to settlement has been prepared, but has not yet reached the signatures of the secretary of the interior and the president. The reservation will be opened six months after the preclamation is signed. A large number of mining entries have already been mediant to the reservation will be opened six months after the preclamation is signed. A large number of mining entries have already been mediant of the reservation will be considered in the reservation will be opened six months after the preclamation is signed. A large not delay another mining. Now is the accepted and most opportune time. reference to Porto Rico, but he said that The reservation will be opened six months made on the reservation.

Otis Ships Spaniards.

WASHINGTON, March 15 .- A cable mes sage from General Otis at Manila received at the War dejartment says that he shipped today for Barcelona, Spain, 533 Spaniards, including eighty-four officers and 427 enlisted men of the Spanish army, who had been rescued from the Filipino insurgents, for the also the wives of eight officers and fourteen children of the families of officers.

> Transport Sails for Porto Rico. WASHINGTON, March 15 .- The transpor Kilpatrick left New York yesterday for San Juan de Porto Rico to bring home a squadron of the Fifth regiment of cavalry. Owing to the want of time it was impossible to ship relief supplies intended for the desti tute Porto Ricans on the Kilpatrick. They will be dispatched on the next transpor

Committee on Live Stock Shipping. WASHINGTON, March 15 .- The senate committee on interstate commerce today decided to ask the senate to recommit the bill 'ing extending the maximum time for the confinement of live stock in transit from twentyeight to forty hours. This decision was due largely to the representations that the change would result in cruelty to animals undergoing shipment.

District of Columbia Bill Passed. WASHINGTON, March 15 .- The District Columbia appropriation bill, carrying \$6,608,378, was passed by the house today and a bill granting the abandoned Fort Hays military reservation to the state of Kansas for experimental station and Normal school purposes.

To Prevent Food Adulteration. WASHINGTON, March 15 .- Senator Proc tor of Vermont today introduced a bill providing for the prevention of the adulter ation of food. It authorizes the creation of bureau of chemistry in the Agricultural department and places the regulation of adulterations in its charge.

A HEALTH BOOM.

A Wave of Prosperity and Physical Well-Being Floods the Whole

Country. CONSTITUTION Enthusiastic Statements from Amerienn Citizens Everywhere Who Are Anglons to Inform the World

How Well They Feel.

The great score of gaining tenth and keeping it after it has been attained has been discovered and the news has swept across the whole United States, causing a perfect boson of health. The secret interess not only those who are ill, but those who are well, for to maintain health, illness must be prevented. Educate your bowels, keep your liver lively and purify your system and blood with an antiseptic disinfectant. That's all there is to it, but the means of accomplishing it never were known until the discovery of Cascarets Candy Cathartic, the ideal modern scientific laxative. Hear what a few of the happy ones have to say.

to make all laws necessary and proper for the execution of the foregoing powers. Such powers may be exercised by the acverations and dispose of the foregoing powers. Such powers may be exercised by the acveration of the foregoing powers. Such powers may be exercised by the acveration of the foregoing powers. Cascarets bears the magic letters
"CCC." Look at the tablet before you buy, and beware of frauds, imitations and substitutes,

A MODERN SAMSON.

Dr. Bennett Tells of What There is in Store for the Wenk and Sickly, Halt, Lame and Rheumatic, if They Will but Hearken Unto Him.

Reader, what alls you? Maybe you know and maybe you don't. In either case call or write and tell me of your troubles or physical distress. I have made a life-low-study of the cause and effect of all kinds of diseases and especially those peculiar to men and women, resulting from impure blood. After incefat gable study, unuting research and exhaustless experiment I finally perfected and introduced to the world the very acme of perfection in

Dr. Bennett's Electric Belt

I have innumerable would-be imitators, some even cover their metal electrodes with chamois, thus preventing the electric current from penetrating the body, so do not allow yourself to be deceived. I own the patent on the only electrode that allows the electric current to penetrate the body without burning or bilistering the skin. My Belt has interchangeable buttery cells, mat can be renewed when burned out, and my New Electrical Suspensory is given free to every man.

New Electrical Suspensivery man.

Now, tell me the plain truth; it's best for you, and I will make no mistake, for my Belt will surely cure every guise of weakness lameness, rheumatism, lost manhood, impotency, varicoccle, sciatica lumbarn, gout and the hundreds of ills and barn.

Dr. BENNETT Electric Belt Company.
