Those Not Withdrawn Are Defeated-Tillman Says He is Willing to Trust President McKinley at All Times.

WASHINGTON, March 13 .- After a debate, at times spirited, extending over parts of two days, the senate today passed the Porto Rico relief bill. As passed the measure carries \$2,095,000, the president being authorized to use that sum for "public education, public works and other govern-

mental and public purposes."

Allen of Nebraska offered an amendment to the bill declaring that the constitution but it was lost, 36 to 17.

Jones of Arkansas withdrew a free trade amendment offered by him and that proposition therefore did not reach a vote. Other efforts to amend the bill were fruitless. Tillman said there was evidently so much division among the republicans that it appeared doubtful to him whether they would be able to enact any Porto Rican legislation at all.
