### FIERCE YOUNG LOVE.

Disconsolate Denver Urchin Who Wooed in Vain. For full eight days cupid has hunted the sleeping and waking hours of the small, tow-headed, susceptibly constructed student of long division and geography at the Corona school, relates the Denver Post. The enamored 12-year-old was completely steeped and saturated in fervent and worshipful adoration of an adorably worshipful little maid, who, with chin a-tilt and eyes a-sparkle, smiled her gracious approval upon the small boys in general, but discriminated against one in particular; that

The enamored youngster made all sorts of overtures. In the desk of the airy, fairy Lilian was placed a morning offering of a picture card or a package of chewing gum or a stick of luscious licorice, every day of the world. She appropriated some of the tokens if they pleased her. When they did not she lifted her pretty brows, and with the gift gingerly lifted between thumb and foretinger, left her seat and coolly depos-ited it in the waste basket. Cupid's victim, the little Romeo, reddened and with-

ered, and a suppressed flicker of a giggle went the rounds. This state of affairs could not last long, for Romeo's hair was fine and curly, and he was of the thin-skinned, ardent type which loves and hates at the pace that kills. He reached his conclusion over the outspread geography the last hour of school, At the close of school he summoned two true friends and tried. Marshaling them into a secluded corner in a neighboring yard he swore each to never dying secrecy and mparted to their horrified ears his ghastly

'neath the knife blade, Romeo's face twitched painfully. He gasped. "Boys, you'll have to do it; it's gone as far as I can moke it go-quick!" The boys stood motionless.

"Aw," was the scornful reply, "I'm sorry I brought you to the show. Jim, you ain't so bad a ninny as he is; you do it." The idea did not appeal to even Jim's notion of the picturesque, and he mutely shook his head.

goin' home, too. I reckon you thought you'd get the show an' the ride both just for your valuable presence." Strangely enough the attentions of the tow-headed 12-year-old to the former object of his adoration have ceased. The circumstance was one of great wonderment to the pupils of Corona school for three whole days, until finally stung by the con-descending disgust with which they were
