

GANS' EYE OUT OF SOCKET

Blinded and Fearfully Punished, He Qui in Twelfth Round.

ERNE REMAINS LIGHTWEIGHT CHAMPION

Buffalo Lad Forces the Fighting Throughout—Baltimore Colored Boy a Favorite at the Start—Much Money Wagered.

NEW YORK, March 23.—Frank Erne of Buffalo successfully defended his title of lightweight champion of the world against Joe Gans, the colored boy of Baltimore, before the Broadway Athletic club tonight. Erne did most of the heavy fighting, displaying better judgment and more skill than his opponent.

Gans received his punishment gamely until the twelfth round. In the twelfth Erne opened with a left smash on the eye and followed with one on the other eye. Then he smashed his right to the stomach and Gans started toward Frank's corner, staggering blindly. He dropped his hands to his sides and Referee White, seeing that the negro was in distress, caught hold of Gans, who said: "I'm blind; I can see any more."

White threw up both hands and told Erne to go to his corner. He then led the colored man to his corner and for the first time saw that Gans' left eye was out of its socket.

"Erne wins," shouted White, as Dr. Creamer jumped into the ring and replaced the injured optic. "My right did the trick," said Erne as he left the ring, and the Buffalo crowd carried him to his dressing room.

Gans a Forehand Favorite. The flaccid content for the lightweight championship drew an enormous crowd. There were many who wagered large sums of money that Gans would take the championship from the vicinity of the great lakes to the borders of Chesapeake bay.

Erne Forces the Fighting. In the first round both were careful. Erne forced Gans into his corner and tried left and right, but Gans blocked. Erne forced again and landed a straight left to the stomach, getting away cleverly. Then he tried right and left for head, but failed to land. At the close of the round Gans landed a straight left on the face.

SOUTH OMAHA NEWS.

Friday night's republican rally at Modern Woodmen hall was one of the most enthusiastic meetings held in South Omaha in a great many months. Every seat in the spacious hall was occupied and quite a number were compelled to stand. As vice president of the Young Men's Republican club Mr. J. A. Beck presided and introduced the speakers.

EASTERN LEAGUE TO GET THEM.

Satisfactory Proposition on Washington and Baltimore Made. NEW YORK, March 23.—A Baltimore and Washington in the eastern circuit, as reported by the National league, will become a part of the Eastern league circuit, entirely with the minor leaguers themselves. As a result of the conference between the committee appointed by the Eastern league and Colonel John I. Rogers of the National circuit committee in Philadelphia today, an agreement was reached whereby the Eastern league can include both Baltimore and Baltimore in its circuit. What the terms of the agreement are could not be learned tonight, but according to President Powers of the Eastern league the agreement includes a proposition that the Baltimore and Washington clubs be placed in the Eastern league circuit. The second day's session of the Eastern league magnates was held at the Fifth Avenue hotel today.

Conference of Ball Magnates.

PHILADELPHIA, March 23.—A conference of the Eastern league today had a session with Colonel John I. Rogers of the Philadelphia ball club with the object of securing grounds in Baltimore and Washington. No agreement has yet been reached.

Jack Graham Knocked Out.

HOT SPRINGS, Ark., March 23.—Jim Scanlon of Pittsburg knocked out Jack Graham of Omaha in ten rounds before the Hot Springs Athletic club tonight after both had made a hard battle.

Parker Whips Jack Daly.

DENVER, March 23.—Kil Parker knocked out Wilmington Jack Daly in the second round.

BAD YOUNG MEN ARRESTED

They Are Charged with Holding Up a Vinton Street Saloon Man.

While Herman C. Harm was serving sentences of beer to four patrons in his saloon at 2022 Vinton street at 11:30 Friday night two young men, wearing masks that concealed the lower parts of their faces, entered. One of them pointed a revolver at the crowd and shouted, "Hands up or I'll shoot." The command was promptly obeyed. The other young man then went behind the bar and took \$26 from the money drawer and appropriated a revolver that lay upon a counter. The men then cautioned Mr. Harm and the other men against sounding an alarm and departed, taking off their masks as they passed through the door. Upon reaching the sidewalk they started on a run down the street, falling to take notice of a man who had observed their suspicious movements and had dodged behind a telegraph pole, which almost concealed him from their view, but permitted him to get a good view of them.

From the descriptions furnished the police by Mr. Harm and the men who were in his saloon when the hold-up occurred and by the man who stood behind the telegraph pole Chief Donahue and Captain Iler concluded that the crime was committed by two well-known young crooks named John, alias Joe, Rogner and Philip Gensler, alias A. Gordon, who have been arrested a number of times in Omaha and elsewhere. Friday evening, shortly after 6 o'clock, while Chief Donahue and Officer Gibbons were near the corner of Seventeenth and Dodge streets, they saw Rogner and Gensler approaching. Rogner and Gensler also saw them, but too late to make their escape, although they attempted to do so. They were handcuffed together and taken to the station, where they were held in Captain Iler's room until Mr. Harm arrived and saw and conversed with them. After doing so he gave it as his opinion that they were the men who held him up. They were then locked up. The man who stood behind the telegraph pole when they came out of Harm's saloon had previously seen their photograph in the rogner's gallery and had declared that they were the robbers.

A search was made of the room occupied by Rogner and Gensler at Seventeenth and Webster streets and in it the officers found two overcoats and some other articles of clothing that it is supposed they stole. The police say the men have been arrested in this city a number of times for burglary, larceny and forgery and have been bound over for trial, but have always contrived through the intervention of friends to escape the penitentiary by means of trumped-up alibis.

Ice Garage Causes Damage.

MONROE, Mich., March 23.—Owing to an ice garage in the rogner's gallery and the action of the Rainier river in running down Front street on the south and Elm avenue on the north. Great damage has already been done. The city authorities have decided to dynamite the ice garage.

Numerous Campaign Rumors.

Several foolish rumors have been started regarding A. R. Kelly, the republican candidate for mayor, and while some of them are not worth deeming on account of their source, one or two deserve recognition. Manager Carpenter of the republican campaign committee stated yesterday that certain democrats were circulating the report that Kelly had agreed to appoint Enos a member of the city council to fill the vacancy caused by his election to the office of chief executive of the city. Candidate Kelly denies emphatically that he has either made or ever contemplated any such promise. By the election of Kelly there will be a vacancy filled by appointment. In such cases the mayor appoints and the city council confirms. Kelly as a republican executive could not, under any circumstances, afford to make such a promise and it is positively asserted that none has been made. Manager Carpenter says Mr. Kelly is not making promises of this kind. He is making the campaign on the line of the republican platform adopted and will not do anything to detract in any manner from the policy already outlined. Another story is to the effect that Kelly will appoint John C. Carroll chief of police. This statement is flatly contradicted by Mr. Kelly and the campaign managers. Other stories of a like nature are being given publicity, but all are absolutely without foundation.

Commercial Club Meeting.

The attendance at the Commercial club meeting last night was something of a disappointment, probably on account of political meetings. An invitation was read from the secretary of the Transmississippian congress inviting the club to send delegates to the convention, which meets at Houston, Tex., in April.

Enos to Resign.

It is reported that Mayor Enos intends leaving for Texas shortly to attend to some business matters and that he will tender his resignation, as he does not contemplate returning until after the expiration of his term. The resignation of Mayor Enos will place W. A. Bennett, president of the coun-

Magic City Gossip. Rev. Dr. Macdonald of New York is here looking after his property interests. All the republican candidates are circulating cards bearing the union label. The public schools closed yesterday for the usual spring vacation of one week. C. F. Wright has been called to Archer, Neb., to attend the funeral of his father. Mr. and Mrs. H. Ryan, Sixth and Berry streets, announce the birth of a son.

By hard work Councilman Traitor has been successful in having the street department clean streets from Twenty-fourth to Thirty-third street. The three brick yards here figure on starting up on or about April 1. It is understood that the demand for brick will be unusually heavy this spring. The members of the Men-Go-Round club will entertain their gentlemen friends at the home of Mr. and Mrs. Sam Christie, Twenty-third and K streets, tonight. While the republican headquarters are crowded most of the time the democratic headquarters have a deserted appearance. This is considered an indication of how the election is going. An unusual effort is being made by republicans to get out a full registration. All republicans who did not register last fall are being urged to attend to this matter on March 31.

Mrs. Calvin Zimmerman, Milwaukee, Pa., says, "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled in the market for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption.

Towne Receivers on Operation. DILLITH, Minn., March 23.—Charles A. Towne, chairman of the republican national committee, who underwent a full, but not dangerous operation in this city two days ago, is improving rapidly.

Following up Mr. Murdock's remarks on official corruption Mr. Beck mentioned the fact that the city was now paying \$18,000 annually as interest on \$307,000 of general indebtedness bonds. These bonds, he asserted, issued illegally, but the people were being made to bear the burden. A. R. Kelly, candidate for mayor, was next introduced and he was greeted with cheers. He spoke of the platform adopted by the republican convention and promised, Mr. Kelly also mentioned some of the contracts entered into by the democrats and said that these illegal contracts were costing the citizens large sums of money and he pledged himself to make a radical change in the garbage, street and police departments. Police officers, he asserted, should be appointed who would protect the lives and property of the citizens and his office should, he said, be men who will command the respect of the citizens and who will protect the public interests in every sense of the word. At the conclusion of Mr. Kelly's remarks he was again loudly cheered.

Hon. James H. VanDusen came in late, but delivered a short address which elicited a great deal of enthusiasm. He spoke of the excellent ticket nominated by the republicans and urged everyone to give it hearty support. Frank Koutsky, candidate for treasurer; Nels Nelson, candidate for city clerk, and several others also spoke.

Omaha's Most Popular Mayor Strongly Recommends the remedies which Omaha's most prominent and influential men write in praising! When such words as the following come from such a man, reasonable doubt vanishes. It is complete, irrefutable proof that our remedies must be and must do just what we claim them to be and to do! Mayor Bemis writes: "I take pleasure in recommending the virtues of the remedies prepared by the Dr. B. J. Kay Medical Co. Having known of some remarkable cures of Omaha people effected by the use of Dr. Kay's Renovator and Dr. Kay's Lung Balm, I believe that these great remedies are worthy of the confidence of the public." These remedies have made an enviable record here in Omaha and some of the cures effected by their use have actually approached the miraculous! Geo. W. Hervey, editor of the Omaha World-Herald was cured by the use of Dr. Kay's Renovator of one of the worst forms of dyspepsia after suffering untold agony and receiving no benefit from three of Nebraska's best physicians and scores of patent medicines. In the face of such proof no Nebraskan can help being convinced!
