Outgoing Officials Turn Over Their Duties to Their Successors.

TREASURER GIVES ACCOUNT IN HARD CASH

City's Assets Are Surrendered to the New Incumbent in Cohn of the Reim—Several Deputies Are Appointed.

The transfer of the five city offices took place quietly yesterday and, with the exception of the treasurer, all the new incumbents were in full control by noon.

In the treasurer's office the full force was busily engaged in closing up the business and the formal transfer of cash was made during the afternoon.

Hard Cash is Produced. This precise method was taken as a precaution against any possible miscarriage.
