

IN THE WORLD OF SPORTS

Aspirants for Positions on Omaha Team Are All on Hand.

MANAGER HARRISON EXPECTS TO SELECT A TEAM THAT WILL BE A TEN-TIME WINNER—EXCELLENT MATERIAL FROM WHICH TO CHOOSE.

With but two exceptions the men who have been signed by Manager Hourke as members of the Omaha base ball team have arrived in the city and the past week has been a busy one for them.

Three of the prominent figures in heavy-weight circles have been the leading characters in a farce-comedy, wherein the scenic part has been of importance and the scenic-shifters have been the managers of these new road to give odds, they did before, on a return match. Herford says:

Kane; infielders, Tebeau, Ramey, Holland, Barne, W. A. Hickey, Shirr and Tinker; outfielders, Parrot, Preston, Vizard and Bismarck.

St. Joe—Cathern, Morrow and Stanley; infielders, Hanlon, Anderson, O'Dea and Helen; pitchers, Andrews and Lane; outfielders, McCarthy, McLaughlin and McHale.

Des Moines—Cathern, Holmes and Slenker; pitchers, Barker, Callahan, Wetmore, Brennan, Beach, Beckwith, Lally and Brennan, infielders, Parker, Quigley, Leary, Warner, Brain and Ball, outfielders, Fear, Burke, Hopkins and Myers.

Sioux City has not completed its roster, but has signed the following men: Ferguson, Niemi, McQuaid, Reitz, Bremer, Coffey, Jessup, Valdeis, Holmes, McIvane and Nicholas. St. Joe—Cathern, Kling and Brown; pitchers, Goodell, Whitted, Maupin, Herman and Underwood; infielders, McKibben, Strang, Hall, Shelton; outfielders, Brown, Hirstow and Allen.

PALAUVER OF THE PUGILISTS

Matters Pugilistic Begin to Live Up—Sharkey and McCoy Scheduled to Meet June 25.

The trend of things pugilistic for the past few weeks has been of such a nature as to interest the followers of the prize ring. Three of the prominent figures in heavy-weight circles have been the leading characters in a farce-comedy, wherein the scenic part has been of importance and the scenic-shifters have been the managers of these new road to give odds, they did before, on a return match.

It is certainly gratifying to the public to know of one concern which is not afraid to be generous. The proprietor of the King New Discovery for Consumption, Coughs and Colds has given away over ten million trial bottles and have the satisfaction of knowing it has cured thousands of hopeless cases.

NEBRASKA COACH ON COAST

Athlete Who Directed State University in a Fortunate Year Goes to Stanford University.

P. H. Yost, formerly of Nebraska, has been engaged to coach the Stanford University football team and will undertake the task of elevating the cardinal to the prestige it enjoyed when in the hands of "Pop" Hloss and Walter Camp.

Yost has the reputation of being a perfect teacher, a leader of men and a perfect gentleman. His height of six feet, weight of 150 pounds and a sound constitution make him ideally qualified for his work.

It is no wonder that protests are going up from the sporting contingent at this ruthless canceling of matches entered into, so far as the public can ascertain, in good faith on the part of the contestants.

It is a dispatch telegraphed a Chicago paper from San Francisco just prior to the departure of Champion Jim Jeffries for the east, that he is going to materialize as a contender in an evening. This dispatch goes on to state:

At this writing the great card arranged for April 5 at Tattersall's in Chicago, when Champion Jeffries was scheduled to meet three heavyweights—McCoy, Sharkey and Fitzsimmons, only being barred—seems in danger of falling through.

made for himself in fights outside the Colorado state.

After all "Bobby" Fitzsimmons is going to be able to participate in a fight which will arouse more than passing interest in the pugilistic world.

The great cards arranged in Chicago and New York for Champion Jim Jeffries to meet three heavyweights, six rounds each, in one night, have gone by the board.

for years believed that there should be more important reforms made in the system of training for the various teams at Yale. Physicians have again and again attributed serious physical ills that have happened to athletes at Yale to the reckless way in which the average undergraduate conducts his training.

There never has been a system devised by which the undergraduate is instructed in regard to what is good diet and what is not. The athletic training tables provide a certain bill of fare, but they have never attempted to limit the quantity that each man should eat.

The sudden change from the rigid training of an athlete to the careless life of an undergraduate is unquestionably done a great deal of harm, not only to the athletes themselves, but to the Yale team. An athlete has frequently ended a season in fine condition, and at the beginning of the next season has been found to be badly out of condition.

The captains have not attempted to make any rules, but have pledged themselves to do all in their power to prevent athletes from breaking training violently and to urge them to be careful about their habits of eating, drinking, smoking and hours of sleep. The suggestion for this reform came from England and is one of the results of the trip of the Yale track team made last July.

Still another reform that has been brought about by Mr. Camp is a set of rules governing the award of the "varsity" "Y." The increase in the number of sports at Yale has resulted in a good deal of bitterness and hard feeling about the wearing of this "Y."

Formerly only the members of the "varsity" teams who had taken part in championship contests were allowed to wear this "Y." This applied only to the crew, the baseball, the track and the foot ball teams. There are now a half a dozen teams that have come into existence, some of which are very creditable organizations and all of which will be allowed to wear the "Y."
