Every Class of Typewriter

Not all users of Typewriters care for the same style of machine; that's why we give a variety to select from. We shall be pleased to explain the points of advantage of each.

We long ago learned that to argue against a man's preference was usually a waste of time.

If you want a Typewriter, why not come first where you can see every good sort of Typewriter in its best form; where you can get unbiased advice concerning the machine best suited to your needs.

SUPPLIES. — You may be giving your Typewriter the blame due to your Supplies. Our Supplies are the best that money can buy.

THE COVER

OF THIS EASTER NUMBER OF THE OMAHA BEE

WAS MADE

(DESIGNED, DRAWN, ENGRAVED AND PRINTED)

IN BUFFALO,

AT THEIR COMPLETE ART-PRINTING WORKS,

BY THE
MATTHEWS-
NORTHRUP

— CO.

WHY?

BECAUSE: The Bee took no chances but placed its order where it knew that the result would be right. Like the Century Company, Scribners, and other great publishers, and the great railroads, it got from The Matthews-Northrup Co. the best; and got it when it wanted it. It found the price reasonable and the satisfaction perfect.
