Lives are saved by Dr. Williams' Pink Pills for Pale People. Williams

Mr. G. H. Snyder, 1810 Louisians St., Lawrence, Kansas, tells how he was cured by Dr. Williams' Pink Pills for Pale People. He says: "I am now seventy years of age. About three years ago 1 experienced a coldness or numbress t the feet, then creeping up my legs until it reached my body. I grew very thin in flesh, my appetite was very poor and I did not relish my food. At last I became so had I was unable to move shout. consulted several distinguished physicians, one telling me that I had locomotor staxia, anothe that I had creeping paralysis. I took their medteines but they did me no good and I continued to grow worse.

"One day nearly a year ago, a friend advised m to try Dr. Williams' Pink Pills for Pale People. I immediately commenced their use, throwing all other medicines away. Before I had finished my first box I found that they were benefiting me. used twelve boxes in all and was perfectly cured. Although it is over six months since I used my last pill there has been no recurrence of the disease My appetite is now good and my general health is better than it has been for many years."

People Save To save a life when medical science fails is a miracle. To restore good health when hope has been abandoned is a miracle. To conquer disease long supposed incurable is a miracle. All this, and more, is accomplished by Dr. Williams' Pink Pills for Pale People. If everybody understood the potent power of this wonderful remedy, much needless suffering would be prevented, many lives would be saved.
