SOIL OF STATE IS SOAKED

Nature Furnishes Nebraska with a Generous Fall of Rain.

LARGE CROP OF GRAIN IS PROMISED killed.

Wheat, Oats and Alfalfa Are in Good Condition-Fruit Trees Withstood Recent Attacks of Frost Much Better Than Expected.

The rain which has been general during the last three days throughout Nebraska has practically assured this state of an unusually large crop for this year. Reports show that much of the small grain is already in, wheat and oats are is excellent condition and ploughing for corn sowing will be begue with the soil in favorable shape. Fruit trees withstood the late frost better than was expected and the prospects

BEAVER CITY, Neb., April 16 .- (Specia Telegram. 1-Two inches of rain has fallen here since Saturday and still continues. Southwestern Nebraska has not been so well soaked since 1892. Small grain is excellent and alfalfa already six inches bigh. BLAIR, Neb., April 16.-(Special.)-Slow

rain commenced falling here during Saturday night, continuing all day yesterday and last night. The fall of rain was 1.26 inches for the last twenty-four hours.

BROKEN BOW, Neb., April 16 .- (Special. -A steady rain visited this locality yesterday and last night and it is still raining elightly. Over two inches of rain has fallen in the last week. The farmers are greatly encouraged over the prospects for a crop this season. Not so much small grain is being planted as usual, but a larger acreage of corn will be put out.

CULBERTSON, Neb., April 16 .- (Special Telegram.)- a steady rain fell here Saturday night and all day Sunday. The ground is thoroughly soaked and small grain and oats have been sowed generally for by the committees. The democrats appeared is in fine shape. No Easter services were held here yesterday.

or lightning, for forty hours. The precipitation up to 7 o'clock this morning is three first good rain we have had this spring. inches. It is still raining.

EXETER, Neb., April 16 .- (Special.)-This section of the state was visited with one of the finest rains in recent years. Commencing Saturday evening at 8 o'clock, it rained almost continuously until this morning. A fall of 2% inches was registered this morning. The indications are for more rain today. Farmers are in high spirits. The small grain is all in. Wheat never looked better at this time of year, and the acreage is unusually large for both wheat and cats. Considerable corn ground was ploughed last week.

FAIRBURY, Neb., April 16 .- (Special.)heavy rain fell during yesterday and last night, amounting to 2.31 inches of water. The ground is now in excellent condition for spring ploughing and the rain will greatly benefit the oats and winter wheat. The fruit has not been damaged by the recent frosts and the prospect is good for a

FAIRMONT, Neb., April 16 .- (Special.)-Rain has been falling in this vicinity since Saturday evening. About four inches has fallen and it is still raining. This has given small grain and grass a good etart and insures good ploughing for corn. Winter wheat is looking well, especially the late sown. There is a larger acreage of spring wheat sown than usual, also of winter

GENOA, Neb., April 16 .- (Special.) - Rain has fallen here during the last thirty-six hours. It began Saturday night at about 10 o'clock and continued until this morning with little intermission. About three inches trict convention. Delegates favorable to the contestants for the nomination. GENEVA, Neb., April 16 .- (Special.)-

GIBBON, Neb., April 16 .- (Special.)-About an inch of water fell here during yesterday and last night. It is cloudy and

threatening today. GOEHNER, Neb., April 16 .- (Special.)-A heavy rain fell here Saturday night and Sunday, thoroughly soaking the ground. This is what the country needed and greatly increases the chances for a heavy crop of

GRAND ISLAND, Neb., April 16 .- (Special.)-Rain fell here most of yesterday afternoon and all last night and the ground appears to be thoroughly soaked. Fall wheat is looking well and grain sown this spring is starting nicely. Farmers are now busy preparing the ground for corn. GREELEY, Neb., April 16 .- (Special.)-There has fallen between two and three inches of rain in the last twenty-four Steve Buzzell, charging him with violating

LAWRENCE, Neb., April 16 .- (Special.) -Rain has been falling here almost continually for the last twenty-four hours. Two and a half inches of water fell thoroughly soaking the ground, which insures tickets were in the field for delegates to the there will be no committee on contested early pasture and a good start for the fall county convention. While personal feelings scats, no contesting delegations, and, so

the Carital City.

Likely to Win, as the Populists Seem to Be Generous.

LINCOLN, Neb., April 16 .- (Special Telegram.)-The state committees of the democratic, populist and free silver republican parties tonight decided upon Lincoln and July 11 as the place and time for holding the state nominating conventions. An eurlier convention was proposed, but as the republican ticket will be named on May 2 it was thought best to hold the conventions on the date named. The suggestion of the party leaders that the offices to be filled this year be divided among the three parties of the fusion agreement by the committees was not acted upon tonight.

Ever since the democrats entered fusion agreement they have entered the fusion agreement they have been dissatisfied with their allowance, which has consisted of only one state office, that of the attorney general, and since the last gubernatorial campaign they have been laysuccessful to a certain extent, and the popaccording to fusion traditions, belongs to the democrats.

The first announcement of the plan to apportion the state officers prior to the fusion conventions met with considerable as though the suggestion would be followed others to the populists, with the exception of the lieutenant governor, which will probably go to the free silver party, and as the that stood in the way of the agreement was the difference of opinion as to which office should be added to the democratic end of the ticket. Some of the democrats favored treasurer, and still another element of the on auditor

FACT vs. CONJECTURE.

tific truth that the kidneys, liver and lungs are the only blood purifiers of the humat body, much disappointment and money will be saved. Dizzinese, palpitation, languis KANSAS CITY, April 16 .- Yesterday's feelings, headache, backache, etc., rain and wind storm in western Kansas caused by the system being poisoned by unit accomplished any serious damage. Storms or weakness, do not eliminate. The troubles were reported from several localities, but mentioned are but symptoms. The cause Warner's Safe Cure, and the symptoms and At Putnam three buildings were destroyed attendant troubles will disappear. With the and a few cattle killed and at Burton two system in a first-class condition and the ing closed it was impossible to get word from poisoned body which falls an easy prey to woman can afford to be laid up with a so The Missouri Pacific railway reports an vere illness. It is the part of wisdom to average rainfall yesterday in northern Kan- keep well. Miss Florence Buffum, secretary sas and southern Nebraska of one and a of the Ishwara Theosophical Society of Minneapolis understands this perfectly, and under date of January 24th last, writes: ") erement gauge, 2.34 inches of water fell, have found Warner's Safe Cure of high Streams are full and the Marias des Cygnes value. It greatly asists a worn-out system to perform its duties, and whenever any of my friends become languid or pale and full of pains, I advise them to try Warner's Safe Cure feeling assured that they will be satisfied with the result." Miss Buffum's experience can be yours. Will you not also
