# WITH all the arrangements

We've made for selling millinery, we expect our capacity for serving our patrons will be taxed to its fullest extent. With a force of salespeople we'll try and reduce waiting to a minimum, and we trust if there should be a shortcoming, you'll pardon us. So much for an introductory of today's business, and now for the department which we've specially prepared for it. Our stock can be described in one word-superb. One hat is made of-but

what's the use of giving you a description-you wouldn't remember it; then, again, the very one we describe may be sold before you get here, as we have over four hundred on show, and no two alike. The best thing for you to do is to come and see for yourself, We've a window full at \$3.75, for choice. What do you think of them - all ready to put on. Any hat taken out of the window.
