Union Pacific Lowers the Time Between

Omaha and San Francisco.

DENVER CONNECTIONS ARE DISTURBED Result of the New Schedule May Be

to Secure More Through Passengers for the Union Pacific.

Following the return of General Passenger souri river to north Pacific coast points. Agent Lomax of the Union Pacific from a month's western trip, most of which time he spent in San Francisco, comes an unofficial announcement of time card changes to be inaugurated Sunday, May 13, by the Union Pacific and Southern Pacific. The principal change will be made by the Southern Pacific, whereby its train now leaving San Francisco. at 8:30 in the morning, will leave an hour and a half later, shortening the schedule between San Francisco and Chicago by that length of time.

At present the Southern Pacific train to Ogden, arriving in the latter city at 11:45 compelled to suffer a shrinkage on business predicted that he will recommend the having until July 1 to finish their work. a. m., making close connection with the originating in the east. The statement is Rio Grande Western, which in turn reaches made that by the adoption of the basis of the desire of the Boise City people. Denver at 3:30 b'clock in the afternoon in rates practically settled upon by the Chicago meeting all lines will be on an equitab'e time to make connection with the Burlingfooting. ton's eastbound train leaving at 4 o'clock. Under the proposed schedule it is forecasted Engineer and Conductor Suspended.

that the Southern Pacific will reach Ogden an hour later than at present, thereby making it practically impossible for the Rio Grande 'Western to get into Denver in time to catch the Burlington train departing at i 4 o'clock in the afternoon.

as the result of the investigation conducted In the proposed change is recognized a by Superintendent Harris of the Wyoming certain polished finesse which Mr. Lomax is division. President Burt was a passenger known to possess when it comes to secur-on No. 101, occupying his private car, and this fact adds somewhat to the enormity at Denver with an eastbound train will result in a number of through passengers from the coast proceeding east on the Union Pacific instead of going from Ogden via the Rio Grande Western and Burlington. Burlington officials who have been informed of the proposed change are as yet unable to say whether the schedules of the Rio Grande Western and their own will be changed to conform with the new arrangement or not. It is possible, they state, that the Rio Grande may be able to make up the counstances connected with the accident. hour between Ogden and Denver and by so such as the darkness of the night, the heavy doing permit a decidedly close connection. storm prevailing, the curve at Cooper sta-

It is stated that the changes in the schedule of arrival and departure of the through which makes the men less culpable than they Union Pacific train which now reaches Omaha at 7:20 p. m. will be slight, if any. is proposed to make up the hour and a half chopped off the present schedule by fater departure from San Francisco between the

latter city and Omaha.
