# Shirt Waist Furore 500 Ladies' Shirt Waists, To Be Sold Thursday, May 17th.

It's a waste of time and energy to make shirt waists when values like these are to be had for such triffing sums. We have divided them into two lots.

# Cents. Cents

These waists are all new, not an old waist in the entire five hundred. They come in ginghams, percales, madras, dimities, etc., detachable collars, attaached cuffs, both in soft and laundered, pleated and plain, both light and dark colors, fancy figures, checks, plaids, stripes, in fact hundreds of pretty patterns to select from.

## **IT MAKES NO DIFFERENCE**

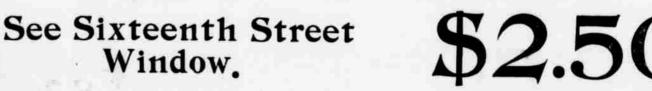

What prices others quote, we give you the best values for the amount asked, Shirt waists worth up to Two Dollars and Fifty Cents are among this lot, and not a waist but what is worth three times the price we ask for them.

We have trimmed our Farnam street window with them and they are there for your inspection. Extra help, extra space.
