NAVAL COURT OF INQUIRY TO MEET.

Captain McGowan Shot a Supposed Smuggler at Mauita.
WASHINGTON, May 17 -- A court of inquiry has been ordered to meet in Washington on May 21, composed of Admirals Rodgers, Colton and Terry, to investigate the circumstances attending the shooting by Captain McGowan of a Filipino near th United States monitor Monadnock in the harbor of Cebu on November 21, 1899, and day confirmed the following nominations also the alleged failure of the captain to report the matter to the commander-in-chief of the Asiatle squadron.

The facts in the case as they are reported to the Navy department are that colonel. while the officer was on the deck of his ship, a native boat which had been warned away only to return was hovering about. The natives had been attempting to smuggle rum aboard and the commanding officer day reported favorably the bill authorizing supposed was the cause of his act had given orders that no unauthorized native the appointment of thirty dental surgeons in dectors say he cannot possibly live. He boats should be permitted to approach the the army. Monadnock. When this particular craft, failed to make off as requested the captain bimself, taking a revolver, sought to frighten the crew by firing a shot across their bows. Unfortunately the shot, striking the water, was deflected so as to pass through the body of one of the Filipines. The wounded man was hauled abcard the Monadnock and after being given medical aid was sent to a shore hospital, where he died. This incident was referred to in the press reports from ton Greene.

Regarding Alasks the report states that the work in that territory has been full of interest and blessing; new fields have developed and old fields have yielded abundant harvest. Detailed reports are given from each of the localities in Alaska where work has been established. These are Saxman, Jackson, Fort Wrangel, Juneau, Hoonah, William H. Dupuy of Smithville.
