REGIMENTAL ELECTION DUE

None of the Local Militiamen Candidates for Military Advancement.

Officers of the First regiment, Nebraska National guard, are beginning to take considerable interest in the election of regimental officers. Adjutant General Barry has issued an order instructing the officers privileged to vote in the election to forward their ballots that they may reach his office June 1, when the canvassing board, consisting of himself, Captain Allen F. Brown, Company F, Second regiment, and Colonel Charles W. Bryan, aide-de-camp, will announce the results.

Captain Stockham of the Thurston Rifles states that none of the officers of his company aspire to regimental offices. The only candidate for colonel of the First regiment who is looked upon with special favor is Major J. N. Killian of Columbus, and his election is a foregone conclusion. The lieutenant colonel will probably be either Captain Charles Vickers of Madison, Captain Talbott of Broken Bow or Captain Archer of Beatrice. Captains Moore and Lyons of Nelson have shied their custom into the ring for a majority.

"After suffering from piles for fifteen years I was cured by using two boxes of DeWitt's Witch Hazel Salve," writes W. J. Baxter, North Brook, N. C. It heals everything. Beware of counterfeits.

OMAHA TENT AND RUBBER CO. SELL

Their Ladies' Misses' Boys' and Men's Rubber coats and Mackintoshes TO BOSTON STORE, OMAHA. Sale begins Tuesday, May 22nd, at 8 o'clock sharp.

AT BOSTON STORE, OMAHA. This sale will be one of the greatest opportunities ever presented to the people of Omaha to buy rubber clothing for almost nothing.

We advise you strongly to wait until this sale opens, which will be Tuesday, May 22nd, at Boston Store. And never in the course of events have such good rubber goods been sold for so little money as we will sell them next Tuesday.

To give you an idea how these goods will be sold, we will tell you that all the men's and boys' cape mackintoshes that the Omaha Tent and Rubber company sold wholesale up to \$1.00 will go in one lot at 50c each.

The higher grade mackintoshes for men and women that sold for up to \$1.00 will be sold in just about the same proportion.

Some of these goods have been wet and slightly soiled, but otherwise are perfect, as water does not hurt rubber goods.

Wait and be sure to attend this sale Tuesday, May 22nd, at BOSTON STORE, OMAHA, N. W. Cor. 15th & Douglas Sts.

EASY TO GET SITUATIONS

Local Employment Agency Sending Men to St. Louis to Take Strikers' Places.

A recruiting office on South Twelfth street, enlisting men to take the places of the striking street car men in St. Louis is under the active surveillance of representatives of the Central Labor union.

Men are promised 20 cents an hour for ten hours per day and are furnished transportation to St. Louis. A reporter chanced to call there while one of the agents of the Central Labor union was pumping the employment agent and sizing up the applicants for places.

The agent of organized labor was courteously afforded all the information he desired, but when the reporter sought to gain a little information and designated the nature of his mission the agent closed up like a steel trap.

Asked if he was receiving many applications, the agent responded with a shrug, negative and turned to the next comer.

It was stated by the men who were waiting around the place that there have been a good many applicants, and that practically all who apply are accepted.

No street railway men were noticed among those who had passed muster yesterday. All of the applicants before shipment are subjected to an examination, the nature of which the agent declined to explain.

Among those who passed muster were several agents of the Central Labor union.

J. Q. Hood, Justice of the Peace, Crosby, Minn., makes the following statement: "I can certify that One Minute Cough Cure will do all that is claimed for it. My wife could not get her breath and the first dose of it relieved her. It has also benefited my whole family." It acts immediately and cures coughs, colds, croup, grippe, bronchitis, asthma and all throat and lung troubles.

An Ideal Climate. The first white man to set foot on Utah soil, Father Silvestre Velez de Escalante, who reached the GREAT SALT LAKE on the 23d day of September, 1775, wrote in his diary: "Here the climate is so delicious, the air so bracing, that it is a pleasure to breathe by day and by night." The climate of Utah is one of the richest endowments of nature. On the shores of the Great Salt Lake especially—and for fifty miles therefrom in every direction—the climate of climate is found. To enable persons to participate in these scenic and climatic attractions and to reach the famous HEALTH, BATHING AND PLEASURE RESORTS of Utah, the UNION PACIFIC has made a rate to OGDEN and SALT LAKE CITY of one fare for the round trip, plus \$2.00, from Missouri river, to be in effect June 21, July 7 to 10, inclusive, July 18 and August 2. To the Public:

We have been, for over ten years, manufacturing and selling at our soda fountain a very popular drink, named

Coca-Celery.

The best recommendation a preparation can have is to have it imitated. This has been and is still being done by one or two of the "leading" fountains. It must have merit or it would not be called for. Our claim for COCA-CELERY is that it will relieve headache, depression, fatigue, listlessness, producing a satisfied, refreshed, thirst-quenched feeling. Sold only at the fountain of
