CENTRAL LABOR UNION MEETS POLICE COURT RUNS BEHIND

Matters Concerning Several Strikes Debated by the Delegates at Last Night's Meeting. A riot call was turned in from the Bur

lington station Friday afternoon, which had little or nothing to occasion it. A number of motormen and conductors had engaged off. Many of the men starting to St. Louis knew nothing of the trouble and when it was explained to them they left the depot. Not more than twenty went to take the places of the strikers.

The matter came up at the meeting of the Central Labor union last night and a teletram was sent to D. H. Mahon of the treet Car Employes' union, requesting him a look out for the new arrivals. The meeting of the Central Labor union

Friday night was addressed by James Brenock of Chicago on the building trades' building trades does not exceed \$400 per murder before he finds a prisoner guilty. foreclosure of mechanic liens against cer- with having broken into a Union Pacific year, that the contractors' council has re- His fines seldem exceed \$1 per capita and tain buildings now in the possession of the freight car and stolen a sack of flour, was unless the Building Trades' council should or a vagrant.

colored pictures, all the popular subjects, St. Cecil. The Horse Fair, Queen Louise, Countess Potocka, worth 50c.

Consideration of the constitution and bylaws was postponed for a week. Reports from the striking bakers showed that six out of nineteen bakeries had signed the scale, but that the thirteen bakers who RIGHT RESTS SOLELY WITH THE FATHER are fighting are those employing the most men. The delegates of the bakers requested the union men to demand nothing but bread bearing the label. A committee of five was appointed to attempt to arrange a settlement between the striking bakers and the employers.

The bakers' delegates further reported that six bakers had arrived from Chicago. sent out by a labor agency, but that they returned home when they learned the situa-
