DEPLORE SABBATH BREAKING

Presbyterians in Convention Discuss the Non-Observance of Sunday.

M'KINLEY AND SECRETARY HAY PRAISED

Their Action Favoring Close of American Pavilion in Paris on Sunday Lauded—Memorial Fund is Boosted.

ST. LOUIS, May 18.—A very considerable part of today's session of the Presbyterian general assembly was spent in considering the report of the special committee on Sabbath observance. During the discussion high praise was accorded to President McKinley and Secretary Hay for the instructions sent to Commissioner Peck of the Paris exhibition and to Ambassador Porter at Paris, touching the closing of the United States pavilion and offices at the exposition on the Sabbath. The report strongly urges that Presbyterians throughout the land should abstain from numerous forms of Sunday desecrations now being more or less indulged in and makes the broad request that railroad companies reduce Sunday transportation to a minimum and that congress and state legislatures shall appropriate no money for exhibitions without the proviso that such exhibits shall be closed on Sunday. A resolution was adopted by a large vote.

South Dakota Indian Delegates.

There are several full-blood Indians in the assembly as delegates, among them being Thomas H. Aungie and Rev. Henry F. Selwyn of Greenwood, S. D., who are to represent a revision of the creed, and Stephen Weston, a Choctaw.

Promptly at 9:30 a. m. Rev. Dickey, the new moderator, called the assembly to order and appointed Mr. James H. Converse of Philadelphia vice moderator. He also announced the appointment of chairmen of the following committees: Committee on bills and overtures, Rev. Robert F. Sample, New York; judicial committee, Dr. William M. McKibbin, Cincinnati; polity, Dr. Daniel McKibbin, Cincinnati; home missions, Dr. Richard S. Holmes, foreign missions, Dr. Charles Cuthbert Hall, education, Dr. George B. Stewart, church erection, Dr. William H. Kerr, freedmen, Dr. E. Trumbull Lee, aid to the sick, Dr. W. Noble Dr. John Branch, Dr. John Miller, Dr. G. W. F. Birch and Dr. B. F. Gemmill.

Among the recommendations made on the subject by the special committee on the celebration of the twentieth century provision for a memorial fund was suggested, to be known as the "Twentieth century fund for the endowment of Presbyterian collegiate and theological institutions, for the enlargement of missionary enterprises, for the erection of churches, buildings and payment of debts on churches and educational institutions and for other work of the boards at the option of the donors." It was suggested that provision be made for the appointment of a central committee to consist of four ministers and three elders, with headquarters in Philadelphia, the committee to have general supervision of the work.

Report on Omaha School.

The report of the committee on the Omaha Theological seminary, of which Dr. E. Trumbull Lee is chairman, was in the form of an appeal for an endowment for the seminary to insure its permanency and for rendering its usefulness unimpaired. This seminary has been in existence nine years and is the only school of its kind in the Presbyterian church between Chicago and the Pacific coast.

The special committee on Sabbath observance reported that the present condition of the Sabbath question in the United States presented more dark than bright signs, more threatening aspects than hopeful signs, more difficult problems than encouraging features. At this point a communication from the Methodist conference in Chicago was read, conveying congratulations and expressions of good will of that body. It was voted to send a cordial response, to be delivered by a committee composed of one minister and one elder. Moderator Dickey stated he would appoint this committee today in the day. Rev. Dr. S. J. Nicolle of this city presented the special report of the committee on ministerial education, in which he showed the necessity for the education of ministers and of guarding against the lax examination of candidates. Just before the adjournment at noon Rev. Dr. Frank W. Sneed, chairman of the committee on arrangements, welcomed the delegates to St. Louis and presented Moderator Dickey with a gavel made from the wood of three historical churches of the city. STILL FROWNS ON PASTIMES

Methodist Conference Committee Against a Change in Church's Attitude.

LITTLE CHANCE TO CONV. RT AFRICANS

Criticism Are Among the Amusements Under the Ban—Bishop McCabe May Be Censured for His Resolutions.

CHICAGO, May 18.—The Methodist church will not, if the report of the committee be accepted, alter its position toward playing cards, dancing and certain other amusements. The amusement question is settled so far as the committee on the state of the church is concerned. By a vote of 45 to 25 the committee today decided to recommend that the section on prohibited amusements be taken out and that a new section be inserted in the chapter on amusements. The paragraph to be inserted is as follows: "Our church has from the beginning of its history insisted that dancing, playing at games of chance, attending theaters, horse races, dancing parties, circuses, or patronizing dancing schools and other amusements which cannot be used in the name of the Lord Jesus, are perilous to the spiritual life and influence of the members of our church and enervating to the work of saving souls. The tendency in social circles toward dangerous amusements was never stronger than it is at the present time and therefore we deem it wise to reaffirm our historic attitude upon this subject and urge our people to abstain and bear their unwavering testimony against all amusements and diversions which endanger Christian life and repress the spiritual power of the church. This advice must not be interpreted as the waiving of the church's right to call to account any member who continues to indulge in these diversions, which cannot be used in the name of the Lord Jesus."

CONFERENCE OF DUNKARDS.

SPRINGFIELD, O., May 18.—The national conference of River Brethren (Dunkards) is now in progress at Donnellville. The feet-washing and communion service will take place Saturday night. A thousand persons are expected to participate.

Work of Southern Assembly.

ATLANTA, Ga., May 18.—The most important matter before the Southern General assembly of the Presbyterian church today was the consideration of the overtures from the different presbyteries and synods of the assembly. These were read by Stated Clerk Alexander to the commissioners. Some of them call for radical departures affecting the church management and other matters bearing directly on the affairs of certain presbyteries. These will constitute the work of the assembly and will likely be taken up separately.

Bishop McCabe May Be Censured.

Bishop McCabe, who commenced considerable surprise several days ago by preparing and giving out for publication a set of satirical resolutions referring to the outside work performed by the bishops, may be censured by the conference for his action. Today Chairman J. M. Buckley declared that the committee on episcopacy would investigate Bishop McCabe's action and report to the general conference. He laid the case before the subcommittee on administration of the bishops, together with a copy of the resolutions that have caused the trouble. The subcommittee considered the matter at a secret session and decided to follow the advice of Dr. Buckley and make a thorough investigation. Bishop McCabe will, it is said, be summoned before the committee.

SOUTH OMAHA NEWS.

Mayor Kelly Complimented.

Mayor Kelly is being complimented on all sides on account of the stand he has taken in relation to the proposed increase in the saloon occupation tax. The mayor has given it out that he will interpose his veto and on account of public sentiment it is thought that very few members of the council will dare to vote to override the veto.

Equalization Session Ends.

For three days the city council met as a board of equalization for the purpose of receiving complaints on certain special assessments made for grading, etc. Not a single complaint was filed. In times past the council was rather slack about attending to the meetings of the Board of Equalization and many special taxes have been declared invalid on account of the manner in which these sessions were held. This year Mayor Kelly insisted that the council meet and remain in session as provided by law in order that no mistakes be made. This was done and all special taxes levied for the districts mentioned in the call will therefore be legal.

After Delinquent Taxes.

City Treasurer Koutsky is going after delinquent personal taxes in earnest and his efforts are resulting in the paying of quite a sum into the treasury each day. Notices are first sent to parties in arrears and if no results are forthcoming a collector is sent out with instructions to make a levy. If necessary, Treasurer Koutsky is anxious to clean up a lot of back taxes on the books in order to complete his records and in this he is being accorded the hearty support of the city officials. Many special taxes are in arrears and special notices are being sent

Two Killed by Falling Barn.

YATTON, IOWA, May 18.—Henry Snell and John Shady, who were engaged in rebuilding a barn on the farm of J. H. Watkins, near here, the structure collapsing to such parties with the expectation that they will call and settle as soon as possible.

LOCAL BREVITIES.

The degree crew of Union Pacific lodge No. 17, Ancient Order United Workmen, gave a dance at the Thurston Hotel, at 7:30 Thursday evening, which was a success socially and financially. At the regular Saturday evening meeting of the Patriotic League in its headquarters hall at the Mitchell Hotel, a program of "Progress of the Nation" and "E. T. Farnsworth on 'Our Country'" will be given. Mr. Farnsworth is a democratic, leaving that party in 1896 because of its stand on the money question.
