A RELIABLE PILE CURE.

The Pyramid Pile Cure is the safest and surest pile cure on the market, because it contains no mineral poisons nor opium nor cocaine, but can be used with absolute safety and certainty of cure.

Many physicians are now using the Pyramid Pile Cure in place of surgical operations, being painless, convenient to use, and the patient can attend to his daily occupation while the cure is being made, as it is used at night and no additional treatment is necessary.

Dr. Wharton says the Pyramid Pile Cure will prove a blessing to mankind, when it is remembered that heretofore a surgical operation was considered the only cure with all its danger to life, intense pain and expense of from ten to one hundred dollars, to say nothing of the possible return of the trouble. The Pyramid Pile Cure costs but fifty cents at any drug store and does the work quickly and safely.

The Emperor's Birthday, May 18, was celebrated today, both here and at Wiesbaden.

At the latter place there was a fine parade, a gala dinner and afterwards a performance of "Czar und Zimmermann" at the theater as a delicate compliment. The minister of foreign affairs, Count von Bulow, and the Russian ambassador, Count von Osten-Sacken, with the members of the embassy, spent the day with the emperor at his majesty's special invitation. This was meant to demonstrate that the relations between the czar and Emperor William were of the best and most intimate description.
