Fort Dodge and Omaha can well cooperate with one another to the advantage of each.

The Omaha Commercial club should into the heads of the Turkish officials Dodge at no distant date.

Germany must be a poor place for ment of the indemnity without unnecesgolf since the Reichstag is so shortsighted as to exclude American sausage links.

Embezzler Neely had a scheme to buy out the Isle of Pines. Devil's island would have made a more appropriate objective point.

Turn about is fair play. If the school board is determined to exclude married women from the teachers' pay roll it may also with propriety be called upon to bar unmarried men.

Omaha's bonded city and school district debt is but little over \$5,500,000. Compared with other citles of its size and importance Omaha has not drawn very heavily on the future.
