IS WELL KNOWN IN OMAHA

Major Llewellyn of Las Cruces, New Mexico, the Guest of His Brother.

Major W. H. H. Llewellyn of Las Cruces, N. M., is in the city, the guest of his brother, C. E. Llewellyn, special agent of the rural mail delivery service. Major Llewellyn was many years ago a resident of Omaha and was assistant city marshal when that office was first established in Omaha. Subsequently he was employed as a special agent of the Department of Justice and was instrumental in the capture of "Doc" Middleton's famous band of bandits and horse thieves. Major Llewellyn was for four years agent of the Mesquitaro Apache Indians, and during the Cuban war was a captain of one of Colonel Roosevelt's companies of Rough Riders.

Major Llewellyn is enroute to Washington, where a delegation of prominent citizens of New Mexico will gather to oppose the passage of the Stevens bill, now pending in congress, which provides an appropriation for a construction of a dam between El Paso, Tex., and Juarez, Mex. Such a canal would not be objectionable to the residents of New Mexico were it not for a provision of the Stevens bill which prohibits the construction of any ditch or dam in New Mexico. At present plans are under way for the erection of the largest reservoir in the world at Elephant Butte, N. M., and the passage of the Stevens bill, Major Llewellyn would prohibit the completion of this work and interfere with a gigantic project to irrigate and make it a productive agricultural section. A party of New Mexico citizens will meet in Chicago tomorrow and proceed from there to Washington, prepared to enter vigorous protest against the passage of the objectionable bill.
