

REPUBLICAN CLUBS TO MEET

Chairman Winty Calls a State Convention at Lincoln, June 28

ALL CLUBS URGED TO SEND DELEGATES

Officers to Be Elected for the Coming Year and Delegates to the National Convention at St. Paul to Be Chosen.

President Charles E. Winty of the Nebraska Republican league has called a state convention to meet at Lincoln, June 28, for the purpose of electing officers and choosing delegates to the National Republican league convention at St. Paul, Minn., July 17 and 19. The call is as follows:

To the Republican clubs of Nebraska: Pursuant to the action of the executive committee of the Nebraska Republican league taken at its convention held at Omaha, May 2, the executive committee of Nebraska is hereby called to meet in state convention at Lincoln, June 28, 1900, at 2 o'clock p. m. for the purpose of electing officers of the Nebraska Republican league, as follows:

Representation in the state league convention will be as follows: One delegate from each club without reference to number of members.

At an assessment of one cent for each delegate is required by the constitution, the same to be paid by each club on or before the date of the state convention.

The convention will conclude its session by holding a grand ratification meeting in the evening. This will be a mass meeting of huge proportions. The state candidates and the returned delegates from Philadelphia will be there. A banquet will be given to the returned delegates and is expected to be present and deliver the principal speech of the evening. It will be a ratification worthy of our president.

Arrangements have been concluded with all railroads in Nebraska for a one-fare rate for the round trip from any point in Nebraska to Lincoln and return. Tickets will be sold June 27 and 28, with final return limit June 29.

The headquarters of the league immediately prior to and during the convention will be at the Lincoln hotel, Lincoln. Secretary Mook will be in attendance here June 27 and 28 for the purpose of receiving credentials and assessments and distributing tickets, badges, etc.

For further information write E. J. Mook, Hastings, or Charles E. Winty, president of the league, at headquarters, Millard hotel, Omaha.

The league desires to impress upon the republican clubs of the state that they should organize at once for the campaign, send representatives to our convention and begin active and enthusiastic work all along the line. A national campaign is to be fought in the next five months. Let us prepare.

CHARLES E. WINTY, President Nebraska Republican League. E. J. MOOK, Secretary.

A Woman's Awful Pest. "There is one chance to save your life, and that is through an operation," were the startling words heard by Mrs. I. B. Hunt of Lime Ridge, Wis., from her doctor after he had vainly tried to cure her of a frightful case of stomach trouble and yellow jaundice.

Then she began to use Electric Bitters, which wholly cured her. It is a wonderful Stomach, Liver and Kidney remedy. Cures Dyspepsia, Loss of Appetite, Try it. Only 50 cents. Guaranteed. For sale by Kuhn & Co.

MAY GET INTO TROUBLE

Citizens Must Admit Census Enumerators Regardless of Nationality and Answer Questions Asked.

An imperative mandate has issued from the office of the director of the census commanding all supervisors to refrain from footing up the totals of the reports sent in by the several enumerators.

Among the enumerators is one colored man and his troubles are greater than all others. Some people claim the right to be addressed by none but Caucasians and when the son of Africa's hands puts his foot inside of the door they immediately forget all that they knew about themselves as point blank refuse to answer. As a result a special enumerator will visit several households and the heads of some families may find themselves defendants in the United States court, as Uncle Sam did not take into consideration the hue of the enumerator when the law was passed requiring all persons to answer the questions propounded.

All who suffer from piles will be glad to learn that DeWitt's Witch Hazel Salve will give them instant and permanent relief. It will cure eczema and all skin diseases. Beware of counterfeits.

An Opportunity to Visit the East Pleasantly and economically is afforded by the tourist tickets on sale via the Lake Shore & Michigan Southern railway on and after June 1, Chautauque Lake, Niagara Falls, the St. Lawrence river, White mountains and the Atlantic coast resorts are among the more important points reached.

Summer edition of "Book of Train," showing specimen tours will be of interest in arranging for your trip. Sent free on application to B. P. Humphrey, T. P. A., Kansas City, Mo., or F. M. Byron, G. W. A., room 41, Station building, Chicago.

Crowd of Hanson Park. To a crowd of between 6,000 and 10,000 people a fine exhibition of her ability at Hanson park last night. The assembled people seemed to appreciate the exhibition and the large number which assembled may lead the street railway company, which bore the expense of the exhibition last night, to give a series of entertainments during the summer.

Doc, the Plugger, as a Philanthropist. "An Omaha physician suggests that you should trust a doctor to kill the octopus in it."

We wonder why this same "Doc, the Plugger," does not "suggest" the same treatment for 231 pet, who pays said Doc's office rent and commissions, too, in order that the body politic may be rid of a worse pest, to wit, A COMMORANT that feeds upon the life and necessities of mankind. Is it because he objects to taking his own medicine, when by doing so he may become rich, by adding in the oppression of the poor sufferer? We still wonder and await the answer. Perhaps the 231 pill makers who tried to form a PILL TRUST AND FAILED can answer.

Deceived the Ladies A considerable amusement was occasioned at the "Onyx Queen" soda fountain opening of Sherman & McConnell last Saturday by the readiness with which the ladies (and the men, too, of course) were victimized into believing that the beautiful artificial pink—which were distributed as souvenirs—were natural carnations instead of paper ones.

This optical delusion was furthered by the exquisite odor which had been imparted to the flowers by spraying them with Lovell's Carnation Pink Perfume, which is every bit as delicate and fragrant as the natural flowers—and at the same time a most lasting scent. Any lady or gentleman who did not get a pink may have their kerchief perfumed by calling at the perfume counter of

Fun Is All Right

In its place if you don't get to using it as a stimulant.

It's funny how some stores hang on with this funniness of selling shoes below cost. It's no joke for a customer to spend good money for a poor pair of shoes. Many of you are buying at random, influenced by sensational methods and exaggerated statements.

We permit no competition to give you a greater equivalent for your money, and nothing can hide the fact that we're doing a safe, satisfactory selling in our ladies' shoe department.
