A TONIC

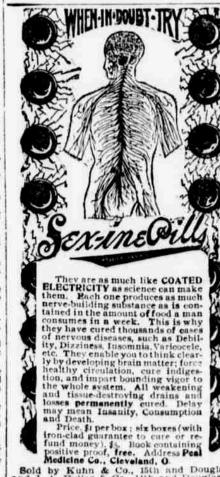

LABASTINE is the original and only durable wall coating, entirely different from all kal-somines. Ready for use in white or fourteen beautiful tints by adding cold water. ADIES naturally prefer ALA-BASTINE for walls and cell-ings, because it is pure, clean, durable. Put up in dry pow-dered form, in five-pound pack-ages, with full directions.

LL kalsomines are cheap, temporary preparations made from whiting, chalks, clays, etc., and stuck on walls with decaying animal glue. ALABASTINE is not a kalsomine. EWARE of the dealer who says he can sell you the "same thing" as ALABASTINE or "something just as good." He is either not posted or is trying to deceive you.

ND IN OFFERING something he has bought cheap and tries to sell on ALABASTINE'S de-mands, he may not realize the damage you will suffer by kalsomine on your walls. ENSIBLE dealers will not buy

a lawsuit. Dealers risk one by seiling and consumers by using infringement. Alabastine Co. own right to make wall coat-ing to mix with cold water. HE INTERIOR WALLS of every church and school should be coated only with pure, dur-able ALABASTINE. It safe-guards health. Hundreds of tons used yearly for this work. HE INTERIOR WALLS N BUYING ALABASTINE, customers should avoid get-ting cheap kalsomines under different names. Insist on having our goods in packages and properly labeled.

UISANCE of wall paper is ob-viated by ALABASTINE. It can be used on plastered walls, wood ceilings, brick or can-vas. A child can brush it oa. It does not rub or scale off. STABLISHED in favor. Shun all imitations. Ask paint dealer or druggist for tint card. Write us for interesting booklet, free. ALABASTINE CO., Grand Rapids, Mich.
