Street Car Improvements Wanted. Many of those engaged in business at the Live Stock exchange are interested in having the Hanseom park street car line extended from Sheely to the northern gates of the stock yards. In this connection Editor Bruce McCulloch says: "If some of the Omaha street railway officials would take an early morning drive down the Thirty-second street boulevard and see that thoroughfare crowded with buggies, bleyeles and pedestrians it might give them some idea of the inconvenience they are causing the public by not putting in a line on the west side as well as of the amount of money they are losing by this short sighted policy."
